Page 1 of 15 — Maintenance Fluids

IS MotorGuard 5W-30 C3 Synthetic Engine Oil, 5 L

SKU: AUT-OIL-530C3-005

Category: Automotive > Maintenance > Engine Oils

Short description:

Fully synthetic passenger-car engine oil for modern petrol and diesel engines requiring an ACEA C3 low-SAPS formulation.

Price: €42.90

Key specifications:

- Viscosity grade: SAE 5W-30
- Performance level: ACEA C3
- API classification: SP
- Capacity: 5 litres
- Suitable for turbocharged and direct-injection engines
- Recommended change interval: according to vehicle manufacturer schedule
- Supplied with tamper-evident cap and pour spout

Availability: In stock — 186 units

Warehouse location: Venlo, Netherlands — Aisle M04, Bay 12

VelaDrive Long-Life Antifreeze Coolant, Ready-Mix, 5 L

SKU: AUT-CLT-LL50-005

Category: Automotive > Maintenance > Coolants

Short description:

Pre-mixed ethylene-glycol coolant for passenger vehicles and light commercial vehicles. Intended for use without additional dilution.

Price: €19.75

Key specifications:

- Ready-to-use 50:50 premix
- Protection range: approximately -36°C to +129°C
- OAT formulation
- Phosphate-free
- Blue-green liquid
- Capacity: 5 litres
- Compatible with aluminium and mixed-metal cooling systems when manufacturer requirements are met

Availability: In stock — 94 units

Warehouse location: Prague, Czech Republic — Chemical Storage C2, Rack 07

Page 2 of 15 — Maintenance and Workshop Supplies

NordWerk DOT 4 Brake Fluid, 1 L

SKU: AUT-BRF-DOT4-001

Category: Automotive > Maintenance > Brake Fluids

Short description:

Hygroscopic DOT 4 brake fluid for hydraulic braking and clutch systems specified for DOT 4 products.

Price: €11.40

Key specifications:

- Meets FMVSS 116 DOT 4 requirements
- Dry boiling point: 260°C minimum
- Wet boiling point: 165°C minimum
- Capacity: 1 litre
- Clear amber appearance
- Do not mix with silicone-based DOT 5 fluid
- Use opened container promptly

Availability: In stock — 318 units

Warehouse location: Lille, France — Hazardous Goods Zone H1, Shelf 18

IronStore Winter Screenwash -20°C, 5 L

SKU: AUT-SCW-W20-005

Category: Automotive > Maintenance > Screenwash

Short description:

Winter windscreen washer fluid for use in vehicle washer reservoirs during cold-weather conditions.

Price: €7.90

Key specifications:

- Freeze protection: down to approximately -20°C
- Pre-mixed; no dilution required
- Low-odour formulation
- Includes anti-limescale additives
- Suitable for fan-jet washer nozzles

- Capacity: 5 litres
- Not suitable for direct consumption

Availability: In stock — 1,240 units

Warehouse location: Venlo, Netherlands — Aisle M02, Bay 03

Page 3 of 15 — Filters and Wipers

AeroMotive CabinPure Activated Carbon Cabin Filter

SKU: AUT-FLT-CAB-AC17

Category: Automotive > Service Parts > Cabin Filters

Short description:

Activated-carbon cabin air filter for selected European compact and mid-size vehicles.

Price: €18.60

Key specifications:

- Filter media: multilayer synthetic fibre with activated carbon
- Nominal dimensions: 238 × 198 × 30 mm
- Captures dust, pollen and common road particles
- Reduces odours from traffic and exterior air
- Replacement interval: typically 12 months or 15,000 km
- Vehicle fitment must be checked against registration or part number
- Supplied as one filter

Availability: In stock — 73 units

Warehouse location: Kraków, Poland — Parts P07, Bin 114

ClearSpan Hybrid Wiper Blade Set, 650/450 mm

SKU: AUT-WPR-HYB-6545

Category: Automotive > Exterior Equipment > Wiper Blades

Short description:

Pair of hybrid windscreen wiper blades with multi-adaptor mounting system for common hook, push-button and side-pin arms.

Price: €27.50

Key specifications:

- Blade lengths: 650 mm driver side and 450 mm passenger side
- Natural rubber wiping edge with graphite coating
- Aerodynamic covered frame
- Includes four fitting adapters
- Left- and right-hand-drive compatible where dimensions match

- Recommended replacement interval: 12–18 months
- Not suitable for rear-window applications

Availability: In stock — 208 sets

Warehouse location: Lille, France — Oversize Parts O03, Bay 21

Page 4 of 15 — Batteries and Electrical Components

VoltEdge EFB Start-Stop Battery, 70 Ah

SKU: AUT-BAT-EFB70-278

Category: Automotive > Electrical > Starter Batteries

Short description:

Enhanced flooded battery for vehicles with basic start-stop systems and elevated cycling requirements.

Price: €154.00

Key specifications:

- Nominal voltage: 12 V
- Capacity: 70 Ah
- Cold cranking current: 720 A EN
- Case size: L3 / H6
- Positive terminal: right-hand configuration
- Dimensions: approximately 278 × 175 × 190 mm
- Battery weight: approximately 19.5 kg
- Requires vehicle compatibility and battery-management reset where applicable

Availability: Limited stock — 16 units

Warehouse location: Brno, Czech Republic — Battery Zone B1, Pallet 04

NordWerk AGM Auxiliary Battery, 12 V 18 Ah

SKU: AUT-BAT-AGM18-181

Category: Automotive > Electrical > Auxiliary Batteries

Short description:

Sealed AGM battery for auxiliary vehicle systems, alarm systems, selected camper installations and low-voltage automotive accessories.

Price: €64.90

Key specifications:

- Nominal voltage: 12 V
- Capacity: 18 Ah at 20-hour rate
- Technology: absorbent glass mat
- Maintenance-free sealed construction

- Dimensions: approximately 181 × 76 × 167 mm
- Terminal type: M5 threaded insert
- Recommended charging voltage: 14.4–14.7 V

Availability: In stock — 42 units

Warehouse location: Venlo, Netherlands — Electrical E02, Rack 09

Page 5 of 15 — Battery Chargers and Jump Starters

RoadPulse Smart Battery Charger, 12 V / 8 A

SKU: AUT-CHR-SM812-220

Category: Automotive > Electrical > Battery Chargers

Short description:

Microprocessor-controlled charger for 12 V lead-acid, EFB, AGM and gel batteries used in passenger vehicles and motorcycles.

Price: €49.95

Key specifications:

- Input: 220–240 V AC, 50 Hz
- Charging output: 12 V, up to 8 A
- Battery capacity range: 8–120 Ah
- Automatic maintenance mode
- Reverse-polarity and short-circuit protection
- IP65-rated housing
- Includes insulated ring terminals and crocodile clips
- Cable length: 1.8 m

Availability: In stock — 127 units

Warehouse location: Prague, Czech Republic — Electrical E04, Shelf 06

TorqueLine Compact Lithium Jump Starter, 1,000 A

SKU: AUT-JMP-LTH1K-100

Category: Automotive > Emergency Equipment > Jump Starters

Short description:

Portable lithium jump starter for 12 V petrol and diesel passenger vehicles.

Price: €89.00

Key specifications:

- Peak current: 1,000 A
- Recommended engine size: up to 6.0 L petrol or 4.0 L diesel
- Integrated LED torch with emergency flash mode
- USB-A and USB-C device charging ports

- Battery capacity: 12,000 mAh
- Includes smart jumper cable, USB-C charging cable and storage case
- Operating temperature: approximately -20°C to 60°C

Availability: In stock — 61 units

Warehouse location: Kraków, Poland — Emergency E01, Bin 33

Page 6 of 15 — Tyres and Tyre Accessories

GripAxis Touring 4S 205/55 R16 91V

SKU: AUT-TYR-2055516-4S

Category: Automotive > Wheels and Tyres > All-Season Tyres

Short description:

All-season passenger-car tyre for compact and mid-size vehicles. Sold individually.

Price: €96.50

Key specifications:

- Size: 205/55 R16
- Load index: 91
- Speed rating: V
- EU wet-grip class: B
- EU fuel-efficiency class: C
- External rolling noise: 71 dB
- 3PMSF winter-use marking
- Tyre pressure must be set according to vehicle manufacturer specifications

Availability: In stock — 84 tyres

Warehouse location: Lille, France — Tyre T05, Rack 16

WheelMate Digital Tyre Pressure Gauge

SKU: AUT-TPG-DIGI-021

Category: Automotive > Wheels and Tyres > Tyre Tools

Short description:

Handheld digital pressure gauge for checking passenger-car, motorcycle and light-van tyres.

Price: €16.90

Key specifications:

- Measurement range: 0–10 bar / 0–150 psi
- Accuracy: ± 0.05 bar within normal operating range
- Backlit LCD display
- Automatic shut-off after 30 seconds

- Four selectable units: bar, psi, kPa and kg/cm²
- Includes CR2032 battery
- Flexible 360-degree valve connector

Availability: In stock — 233 units

Warehouse location: Venlo, Netherlands — Tools T03, Bin 44

Page 7 of 15 — Wheels and Security

IronStore Alloy Wheel Locking Nut Set, M12 × 1.5

SKU: AUT-WHL-LOCK-M1215

Category: Automotive > Wheels and Tyres > Wheel Security

Short description:

Locking wheel-nut set for vehicles using M12 × 1.5 threaded wheel studs. Vehicle and seat-type compatibility must be confirmed before installation.

Price: €31.80

Key specifications:

- Thread: M12 × 1.5
- Seat type: 60-degree conical
- Set contents: four locking nuts and one coded key
- Zinc-coated steel construction
- Key pattern supplied randomly
- Designed for alloy wheels with exposed wheel nuts
- Tighten using vehicle manufacturer torque specification

Availability: In stock — 97 sets

Warehouse location: Kraków, Poland — Security S02, Bin 17

NordWerk Universal Roof Bars, 120 cm

SKU: AUT-RFB-UNI120-AL

Category: Automotive > Exterior Equipment > Roof Transport

Short description:

Aluminium roof-bar pair for vehicles with compatible raised rails or approved attachment kits.

Price: €119.00

Key specifications:

- Bar length: 120 cm
- Maximum combined load: 75 kg, subject to vehicle roof limit
- Aerodynamic aluminium profile
- Lockable end caps
- T-slot channel for compatible accessories

- Includes two bars and four rail clamps
- Wind-noise performance depends on vehicle and accessory configuration
- Professional installation is recommended for first use

Availability: In stock — 39 sets

Warehouse location: Brno, Czech Republic — Oversize O05, Rack 02

Page 8 of 15 — Interior Accessories

CabinForm All-Weather Rubber Floor Mat Set, Black

SKU: AUT-MAT-RUB4-BLK

Category: Automotive > Interior Accessories > Floor Mats

Short description:

Four-piece moulded rubber mat set for selected left-hand-drive compact and mid-size vehicles.

Price: €54.90

Key specifications:

- Set contents: two front and two rear mats
- Raised perimeter lip for containing water and dirt
- Material: flexible TPE rubber compound
- Black finish
- Anti-slip underside
- Trimmable only where marked by manufacturer
- Fitment varies by vehicle model and production year

Availability: In stock — 76 sets

Warehouse location: Venlo, Netherlands — Interior I03, Bay 08

SeatGuard Universal Heated Seat Cover, 12 V

SKU: AUT-SHC-12V-UNI1

Category: Automotive > Interior Accessories > Seat Covers

Short description:

Single heated seat cover for use on compatible 12 V vehicle seats with a standard accessory socket.

Price: €39.90

Key specifications:

- Two heat settings
- Maximum power draw: 45 W
- Integrated overheat protection
- Elastic retaining straps
- Connector cable length: 1.5 m

- Automatic timer: approximately 45 minutes
- Not suitable for seats with side airbags unless the vehicle manufacturer permits use
- Supplied as one front-seat cover

Availability: In stock — 112 units

Warehouse location: Prague, Czech Republic — Interior I01, Shelf 14

Page 9 of 15 — In-Car Electronics

DriveLink Bluetooth FM Transmitter, DAB-Ready

SKU: AUT-FMT-BT-DAB-09

Category: Automotive > In-Car Electronics > Audio Accessories

Short description:

12 V accessory-socket adapter providing Bluetooth audio, hands-free calling and USB charging for vehicles without factory Bluetooth.

Price: €34.50

Key specifications:

- Bluetooth version: 5.2
- FM transmission range: 87.5–108.0 MHz
- USB-C charging output: up to 20 W
- Additional USB-A output: 5 W
- Built-in microphone for hands-free calls
- Supports AAC and SBC audio codecs
- Frequency selection is manual
- Performance may vary in areas with strong FM interference

Availability: In stock — 184 units

Warehouse location: Kraków, Poland — Electronics E08, Bin 51

Naviscope 7-inch Portable Navigation Unit, EU Maps

SKU: AUT-NAV-7EU-2026

Category: Automotive > In-Car Electronics > Navigation

Short description:

Portable sat-nav unit with preloaded European road maps, 7-inch touch display and vehicle windscreen mount.

Price: €129.00

Key specifications:

- Display: 7-inch, 800 × 480 pixels
- Preloaded maps: 45 European countries
- Lane-assistance display
- Speed-limit alerts

- MicroSD expansion slot
- Internal battery for approximately 60 minutes of use
- Includes 12 V vehicle charger and suction mount
- Map update eligibility: 12 months from activation

Availability: In stock — 28 units

Warehouse location: Lille, France — Electronics E05, Shelf 07

Page 10 of 15 — Dash Cameras and Parking Equipment

RoadEye FrontView Dash Camera, 2K

SKU: AUT-DSC-2K-FR01

Category: Automotive > In-Car Electronics > Dash Cameras

Short description:

Forward-facing vehicle camera for recording road footage during driving and while parked when installed with a compatible permanent power kit.

Price: €84.00

Key specifications:

- Video resolution: 2K at 30 frames per second
- Viewing angle: approximately 140 degrees
- Image sensor: 3 MP
- Loop recording with automatic file protection
- G-sensor for impact event detection
- Supports microSD cards up to 128 GB
- 2.45-inch LCD display
- Includes adhesive mount and 12 V power lead

Availability: In stock — 57 units

Warehouse location: Brno, Czech Republic — Electronics E06, Bin 22

ParkSense Reversing Sensor Kit, Four Sensors

SKU: AUT-PRS-4S-BLK01

Category: Automotive > Parking Equipment > Reversing Sensors

Short description:

Ultrasonic rear parking sensor kit with four paintable sensors, control module and audible cabin display.

Price: €69.90

Key specifications:

- Sensor count: four
- Detection range: approximately 0.3–2.0 m
- Sensor diameter: 22 mm
- Audible warning with increasing frequency

- Includes black sensor covers
- Suitable for 12 V systems
- Requires bumper drilling and electrical installation
- Installation should not obstruct original vehicle safety systems

Availability: In stock — 44 kits

Warehouse location: Venlo, Netherlands — Electrical E07, Rack 03

Page 11 of 15 — Emergency and Safety Equipment

SafeRoad European Vehicle Emergency Kit

SKU: AUT-EMK-EU-028

Category: Automotive > Safety and Emergency Equipment > Emergency Kits

Short description:

Compact roadside emergency kit for passenger vehicles travelling within the European Union.

Price: €29.95

Key specifications:

- 1.5 m reflective warning vest
- Foldable warning triangle
- Pair of nitrile gloves
- 10-piece first-aid pouch
- LED inspection torch
- Two cable ties and two adhesive strips
- Includes storage bag with reflective panel
- Contents meet common roadside-equipment requirements; local legal requirements vary

Availability: In stock — 302 kits

Warehouse location: Kraków, Poland — Safety S01, Bay 05

IronStore Compact Fire Extinguisher, 1 kg ABC

SKU: AUT-FEX-ABC1-001

Category: Automotive > Safety and Emergency Equipment > Fire Extinguishers

Short description:

Compact dry-powder extinguisher for initial response to small fires in vehicles and workshops.

Price: €24.90

Key specifications:

- Agent type: ABC dry powder
- Nominal fill: 1 kg
- Fire rating: 8A 34B C
- Operating temperature: -30°C to 60°C

- Includes mounting bracket
- Pressure gauge included
- Service inspection date printed on cylinder
- Store securely and do not leave loose in passenger compartment

Availability: In stock — 88 units

Warehouse location: Lille, France — Safety S03, Cabinet 02

Page 12 of 15 — Vehicle Tools

TorqueLine Digital Torque Wrench, 20–100 Nm

SKU: AUT-TQW-DIG-100

Category: Automotive > Workshop Tools > Torque Tools

Short description:

Digital click-and-alert torque wrench for controlled tightening of automotive fasteners.

Price: €119.00

Key specifications:

- Torque range: 20–100 Nm
- Drive size: 3/8 inch
- Accuracy: $\pm 2\%$ clockwise
- Digital display with audible and vibration alert
- Units: Nm, lb-ft and kgf-cm
- Memory for five preset values
- Includes calibration certificate
- Store at minimum scale setting after use

Availability: In stock — 21 units

Warehouse location: Prague, Czech Republic — Tools T08, Drawer 04

GearMate Low-Profile Trolley Jack, 2,000 kg

SKU: AUT-JCK-LP2000-01

Category: Automotive > Workshop Tools > Lifting Equipment

Short description:

Low-profile hydraulic trolley jack for lifting one end of compatible passenger cars and light vehicles.

Price: €109.90

Key specifications:

- Maximum lifting capacity: 2,000 kg
- Minimum saddle height: 85 mm
- Maximum saddle height: 330 mm
- Hydraulic overload valve

- Swivel rear castors
- Includes removable lifting handle
- Use only on firm, level ground with axle stands
- Not intended for supporting a vehicle without stands

Availability: In stock — 34 units

Warehouse location: Brno, Czech Republic — Heavy Tools H02, Rack 11

Page 13 of 15 — Workshop Equipment

VoltEdge 12 V Battery Tester with Conductance Readout

SKU: AUT-BTT-CON12-01

Category: Automotive > Workshop Tools > Diagnostic Equipment

Short description:

Handheld conductance tester for assessing the condition and starting capability of 12 V automotive batteries.

Price: €58.00

Key specifications:

- Tests flooded, AGM and EFB batteries
- Test range: 100–2,000 CCA
- Displays voltage, measured CCA and condition estimate
- Supports SAE, EN, DIN and IEC rating systems
- Reverse-polarity protection
- 1.2 m test lead
- Powered by the vehicle battery
- Does not test alternator ripple or parasitic drain

Availability: In stock — 46 units

Warehouse location: Venlo, Netherlands — Diagnostic D01, Shelf 09

AirPro Portable Compressor, 12 V, 150 PSI

SKU: AUT-CMP-12V150-01

Category: Automotive > Workshop Tools > Air Compressors

Short description:

Portable 12 V compressor for inflating passenger-car tyres and small recreational equipment.

Price: €44.90

Key specifications:

- Maximum indicated pressure: 150 psi / 10.3 bar
- Recommended continuous operating period: 10 minutes
- Digital target-pressure setting
- Automatic shut-off

- Air hose length: 650 mm
- Power cable length: 3 m
- Includes adapters for bicycle, ball and inflatable valves
- Connects directly to a 12 V accessory socket

Availability: In stock — 165 units

Warehouse location: Lille, France — Tools T04, Bay 12

Page 14 of 15 — Exterior Care and Detailing

DetailForge pH-Neutral Car Shampoo Concentrate, 1 L

SKU: AUT-DET-SHP-PH7-001

Category: Automotive > Cleaning and Detailing > Exterior Cleaning

Short description:

Concentrated vehicle shampoo for routine hand washing of painted, glass and plastic exterior surfaces.

Price: €12.90

Key specifications:

- pH-neutral formulation
- Recommended dilution: 50 ml per 10 litres of water
- Low-foaming formula for bucket washing
- Suitable for waxed and ceramic-coated surfaces
- Biodegradable surfactant system
- Capacity: 1 litre
- Do not allow product to dry on a warm surface

Availability: In stock — 410 units

Warehouse location: Venlo, Netherlands — Detailing D04, Bay 02

ClearSpan Dual-Weave Microfibre Towel Set, 6 Pack

SKU: AUT-DET-MFT-6PK

Category: Automotive > Cleaning and Detailing > Microfibre Products

Short description:

Six-piece microfibre towel assortment for drying, interior cleaning and application or removal of detailing products.

Price: €17.50

Key specifications:

- Six towels in three colour-coded pairs
- Composition: 80% polyester / 20% polyamide
- Towel size: approximately 400 × 400 mm
- Edge type: ultrasonic-cut, tagless
- Suitable for paintwork, glass and interior plastics

- Washable at up to 40°C
- Do not use fabric softener or chlorine bleach

Availability: In stock — 596 packs

Warehouse location: Kraków, Poland — Detailing D02, Bin 18

Page 15 of 15 — Exterior Care and Discontinued Stock

NordWerk Ceramic Paint Sealant Spray, 500 ml

SKU: AUT-DET-CER-SPR5

Category: Automotive > Cleaning and Detailing > Paint Protection

Short description:

Spray-applied paint sealant for adding water repellency and temporary surface protection after vehicle washing.

Price: €21.90

Key specifications:

- Capacity: 500 ml
- Spray-on, wipe-off application
- Recommended curing time: approximately 2 hours
- Expected durability: up to 12 weeks under normal use
- Suitable for clear-coated painted surfaces and exterior plastics
- Apply to a clean, cool and dry surface
- Do not use on windscreens or motorcycle brake components

Availability: In stock — 143 units

Warehouse location: Prague, Czech Republic — Detailing D06, Shelf 04

GearMate Manual Oil Extractor Pump, 6 L

SKU: AUT-OEX-MAN6L-01

Category: Automotive > Maintenance Equipment > Fluid Extraction

Short description:

Manual vacuum extractor for removing engine oil and other compatible fluids through an accessible dipstick tube.

Price: €46.00

Key specifications:

- Reservoir capacity: 6 litres
- Manual piston pump
- Includes 4 mm and 6 mm extraction tubes
- Transparent reservoir with graduated markings
- Suitable for warm engine oil and selected non-corrosive fluids

- Not suitable for brake fluid, fuel or solvents
- Clean and depressurise after each use
- Replacement seals available through internal service parts channel

Availability: In stock — 52 units

Warehouse location: Brno, Czech Republic — Workshop W03, Bin 29

RoadPulse Classic CD/USB Car Radio, 1-DIN

SKU: AUT-RAD-1DIN-CD08

Category: Automotive > In-Car Electronics > Head Units

Short description:

Single-DIN replacement car radio with CD playback, USB audio and Bluetooth hands-free functionality.

Price: €74.90

Key specifications:

- Installation format: 1-DIN
- Output: 4 × 45 W maximum
- Bluetooth hands-free calling
- Front USB-A port
- CD, MP3 and WMA playback
- Detachable front panel
- ISO wiring harness included
- Vehicle-specific fascia and steering-wheel adapter may be required

Availability: Limited stock — 9 units

Warehouse location: Lille, France — Clearance Electronics C01, Shelf 02
