**Stock and Handling Notes**

- Warehouse stock levels are maintained independently by fulfilment location.
- “In stock” indicates normal availability at the time of the August 2026 review and does not guarantee stock at every warehouse.

- Natural-fill products may require additional handling instructions due to feather, down or wool content.
- Mattress protectors and toppers must be checked against both mattress length and mattress depth before order confirmation.
- Discontinued products may remain searchable for returns, warranty administration and historical order support.
- Colour names are catalogue colour references; minor variation may occur between production batches.
- Care instructions on the physical product label take precedence over the abbreviated instructions in this catalog.
