Catalogue Administration Notes

- Prices and availability were reviewed in August 2026.
- Warehouse quantities are maintained in the IronStore inventory system and may change during the day.
- Product packaging, colour assortment and country-specific language inserts may vary between European procurement batches.
- SKU identifiers are internal IronStore catalogue references.
- Products listed under Books & Stationery are restricted to books, paper goods, writing instruments, educational stationery, art materials, filing supplies and related desk-storage products.
- Discontinued products must not be included in new purchasing forecasts.
- Clearance stock remains eligible for sale unless blocked by quality-control, packaging or legal-compliance status.
