Page 28 — Category Notes and Stock Controls

Camping Furniture Range Notes

- All folding furniture must be fully opened and locking mechanisms engaged before use.
- Stated maximum loads refer to evenly distributed loads unless otherwise specified.
- Camping furniture is intended for temporary outdoor use and should be stored dry after exposure to rain or condensation.
- Fabric covers, tabletops, shelves, and replacement components are not interchangeable unless compatibility is explicitly stated.
- Products marked **Seasonal** are normally replenished between February and June. Availability outside this period is dependent on warehouse inventory.
- Products marked **Pre-order** should not be promised for immediate dispatch. Confirm inbound shipment date in the inventory management system.
- Discontinued products may remain available for warranty replacements, business accounts, or outlet sales only.

- Warehouse codes identify the primary fulfilment location. Customer orders may be reallocated between European warehouses according to stock balancing rules.
