Catalog Control Notes

- All products in this document are assigned to the **Curtains & Window Treatments** category.
- Dimensions are listed as **width × drop/height** unless otherwise specified.
- Curtain pair measurements refer to the size of each individual panel.
- Blind measurements refer to the overall product size; usable fabric width may be narrower than the stated blind width.
- Discontinued products are not scheduled for replenishment and should not be used for new seasonal assortment planning.
- Warehouse quantities are subject to order allocation, returns processing, and inter-warehouse transfer activity.
