Page 2 — Cooking Appliances

Nordhaus NHC-60 Ceramic Hob

SKU: IS-HAP-1001

Category: Home Appliances > Cooking > Hobs

Price: €329.00

Availability: In stock

Warehouse location: WRO-2, Rack C14, Poland

Short description:

Four-zone built-in ceramic electric hob with touch controls, residual-heat indicators, and timer functionality. Intended for standard 60 cm kitchen worktops.

Key specifications:

- Four radiant cooking zones: 1,200 W to 1,800 W
- Total connected load: 6.0 kW
- Touch-sensitive front control panel
- Nine power levels per zone
- Individual timers up to 99 minutes
- Residual-heat warning for each zone

- Child lock and automatic safety shut-off
- Cut-out dimensions: 560 × 490 mm
- Appliance dimensions: 590 × 520 × 45 mm
- Black glass-ceramic surface
- 220–240 V, hardwired installation
- Two-year standard manufacturer warranty

Internal handling notes:

Requires qualified electrical installation. Box includes mounting brackets and installation guide; cable is not supplied.

Veltro VBO-72 Built-In Oven

SKU: IS-HAP-1002

Category: Home Appliances > Cooking > Built-In Ovens

Price: €579.00

Availability: Low stock

Warehouse location: RTM-1, Bay 7D, Netherlands

Short description:

Multifunction electric built-in oven with fan-assisted cooking, grill mode, removable door glass, and catalytic rear lining.

Key specifications:

- Usable cavity capacity: 72 litres
- Energy efficiency class: A
- Seven cooking functions
- Fan-assisted temperature range: 50–250 °C
- Full-width electric grill
- Mechanical rotary controls with LED display
- Programmable end-time timer
- Catalytic rear panel
- Triple-glazed removable door
- Telescopic shelf support on one level
- Supplied with two wire shelves and one enamel tray
- Appliance dimensions: 595 × 595 × 570 mm
- Niche requirement: 560–568 × 585–595 × 550 mm

Internal handling notes:

Do not stack without the approved cabinet support. Door must be secured before pallet movement.

Page 3 — Cooking Appliances

Kitchera KMW-25 Compact Microwave

SKU: IS-HAP-1003

Category: Home Appliances > Cooking > Microwaves

Price: €119.00

Availability: In stock

Warehouse location: LIL-3, Small Appliances Zone, France

Short description:

Compact countertop microwave for reheating and basic cooking applications. Suitable for kitchens with limited worktop space.

Key specifications:

- Microwave output: 800 W
- Internal capacity: 25 litres
- Five power levels
- Defrost by time and weight
- Digital clock and 95-minute timer
- Glass turntable diameter: 270 mm
- Push-button door release
- Interior light
- External dimensions: 485 × 410 × 295 mm
- Rated input: 1,250 W
- Stainless-steel effect front with black cabinet
- 220–240 V mains plug

Internal handling notes:

Not intended for built-in installation. Maintain at least 20 cm ventilation clearance above the appliance.

Auralis AFD-550 Dual-Zone Air Fryer

SKU: IS-HAP-1004

Category: Home Appliances > Cooking > Air Fryers

Price: €149.00

Availability: In stock

Warehouse location: BUD-4, Shelf H08, Hungary

Short description:

Dual-basket hot-air fryer with independent temperature and timing controls. The two compartments can finish simultaneously using the sync function.

Key specifications:

- Combined capacity: 9.0 litres
- Two 4.5-litre cooking baskets
- Temperature range: 40–200 °C
- Independent digital controls
- Eight preset cooking programs
- Sync-finish and match-cook functions
- Dishwasher-safe removable baskets
- Maximum rated power: 2,400 W
- Overheat protection
- Audible end-of-cycle alert
- Product dimensions: 410 × 360 × 325 mm
- Basket coating: PTFE-free ceramic non-stick finish

Internal handling notes:

Outer carton includes two baskets, two crisping plates, and a quick-reference cooking table.

Page 4 — Cooking Appliances

Nordhaus NFS-90 Freestanding Cooker

SKU: IS-HAP-1005

Category: Home Appliances > Cooking > Freestanding Cookers

Price: €849.00

Availability: Backorder — next scheduled replenishment: October 2026

Warehouse location: WRO-2, Oversize Zone, Poland

Short description:

90 cm freestanding cooker combining a five-burner gas hob with a large electric multifunction oven and separate storage drawer.

Key specifications:

- Five gas burners, including 3.8 kW triple-ring burner
- Flame-failure safety device on each burner
- Electric multifunction oven capacity: 105 litres
- Seven oven functions
- Electric rotisserie function
- Oven temperature range: 50–250 °C
- Double-glazed oven door
- Enamel pan supports and removable burner caps
- Mechanical timer
- Adjustable feet
- Dimensions: 900 × 600 × 890–915 mm
- Gas category: I2H, natural gas; conversion jets included
- Rated electrical load: 2.9 kW

Internal handling notes:

Gas connection must be completed by an authorised installer. Product is shipped upright only.

Page 5 — Refrigeration

Polarix PXR-285 Combi Refrigerator

SKU: IS-HAP-1101

Category: Home Appliances > Refrigeration > Fridge Freezers

Price: €699.00

Availability: In stock

Warehouse location: RTM-1, Cold Goods Bay 2, Netherlands

Short description:

Freestanding frost-free refrigerator with lower freezer compartment, electronic temperature control, and reversible door installation.

Key specifications:

- Total net capacity: 285 litres
- Refrigerator capacity: 203 litres
- Freezer capacity: 82 litres
- Energy efficiency class: C
- Annual energy consumption: approximately 162 kWh
- Frost-free freezer system

- Multi-airflow refrigerator circulation
- Four adjustable glass shelves
- One humidity-controlled vegetable drawer
- Three freezer drawers
- Noise level: 36 dB(A)
- Dimensions: 595 × 650 × 1,860 mm
- Door hinge reversible during installation

Internal handling notes:

Allow four hours upright settling time before connection if transported horizontally. Door reversal kit is included.

Frigenta FZ-178 Upright Freezer

SKU: IS-HAP-1102

Category: Home Appliances > Refrigeration > Freezers

Price: €629.00

Availability: Low stock

Warehouse location: VIE-2, Appliance Bay 11, Austria

Short description:

Tall frost-free upright freezer with seven transparent storage drawers and electronic temperature display.

Key specifications:

- Net freezer capacity: 248 litres
- Energy efficiency class: E
- Annual energy consumption: approximately 239 kWh
- Freezing capacity: 18 kg per 24 hours
- Storage autonomy during power failure: 12 hours
- Seven removable drawers
- Fast-freeze function
- Audible high-temperature alarm
- Reversible door
- Noise level: 39 dB(A)
- Dimensions: 595 × 650 × 1,770 mm
- Climate class: SN–T

Internal handling notes:

The top drawer is not suitable for oversized items. Keep ventilation clearance specified in the installation manual.

Page 6 — Refrigeration

Veltro VWC-92 Wine Cooler

SKU: IS-HAP-1103

Category: Home Appliances > Refrigeration > Wine Storage

Price: €459.00

Availability: In stock

Warehouse location: RTM-1, Controlled Goods Bay 4, Netherlands

Short description:

Dual-zone freestanding wine cooler designed for short- and medium-term storage of bottled wine.

Key specifications:

- Capacity: 92 litres / 34 standard 750 ml bottles
- Upper zone temperature: 5–12 °C
- Lower zone temperature: 12–18 °C
- Compressor cooling system
- LED interior lighting
- Six beechwood shelves
- UV-resistant double-glazed door
- Touch control panel
- Anti-vibration compressor mounting
- Noise level: 39 dB(A)
- Dimensions: 495 × 580 × 840 mm
- Refrigerant: R600a

Internal handling notes:

Shelves must be removed and secured before transport. Product is not intended for outdoor use or garage installation below 10 °C.

Page 7 — Laundry Appliances

Nordhaus NWM-814 Washing Machine

SKU: IS-HAP-1201

Category: Home Appliances > Laundry > Washing Machines

Price: €549.00

Availability: In stock

Warehouse location: WRO-2, White Goods Bay 5, Poland

Short description:

Front-loading washing machine with 8 kg capacity, inverter motor, automatic load sensing, and dedicated short-cycle program.

Key specifications:

- Rated wash capacity: 8 kg
- Maximum spin speed: 1,400 rpm
- Energy efficiency class: A
- Eco 40–60 programme
- 15 programmes
- 15-minute rapid wash
- Steam refresh option
- Delay start: 1–24 hours
- Child lock and overflow protection
- Noise level during spin: 72 dB(A)
- Appliance dimensions: 600 × 550 × 845 mm
- Water inlet hose and drain hose included

Internal handling notes:

Transit bolts must be removed before first use. Delivery teams should retain bolts for possible return transport.

Cleva CWD-914 Washer Dryer

SKU: IS-HAP-1202

Category: Home Appliances > Laundry > Washer Dryers

Price: €799.00

Availability: Low stock

Warehouse location: VIE-2, White Goods Bay 3, Austria

Short description:

Combined washing and condenser drying appliance for homes where separate laundry machines cannot be accommodated.

Key specifications:

- Wash capacity: 9 kg
- Dry capacity: 6 kg
- Maximum spin speed: 1,400 rpm
- Wash energy efficiency class: A
- 14 wash programmes and 5 drying options
- Sensor-controlled drying
- Anti-crease cycle
- Delay start up to 19 hours
- Drum volume: 60 litres
- Noise level during spin: 76 dB(A)
- Dimensions: 600 × 580 × 850 mm
- Water protection system with inlet monitoring

Internal handling notes:

Combined wash-and-dry programmes require reduced load size. Do not advertise the 9 kg wash capacity as the drying capacity.

Page 8 — Laundry Appliances

Auralis AD-8 Heat Pump Dryer

SKU: IS-HAP-1203

Category: Home Appliances > Laundry > Tumble Dryers

Price: €689.00

Availability: In stock

Warehouse location: WRO-2, White Goods Bay 6, Poland

Short description:

Heat-pump tumble dryer with 8 kg drum capacity, moisture sensing, and removable condenser filter system.

Key specifications:

- Rated drying capacity: 8 kg
- Energy efficiency class: A+++
- 14 drying programmes
- Heat-pump drying technology
- Automatic moisture sensor
- Reversible drum action
- Wool and delicate-care programmes

- Internal drum light
- 24-hour delay start
- Noise level: 64 dB(A)
- Dimensions: 598 × 610 × 845 mm
- Drain hose supplied for optional direct drainage

Internal handling notes:

Clean lint filters after every cycle. When using the optional drain hose, verify that the hose is not kinked behind the unit.

Kitchera KDW-604 Integrated Dishwasher

SKU: IS-HAP-1204

Category: Home Appliances > Laundry > Dishwashers

Price: €619.00

Availability: Backorder — next scheduled replenishment: September 2026

Warehouse location: LIL-3, Built-In Appliances Bay, France

Short description:

Fully integrated 60 cm dishwasher with adjustable upper basket, automatic programme, and delayed start.

Key specifications:

- Place settings: 14
- Energy efficiency class: C
- Six programmes
- Automatic soil-sensing programme
- Water use on Eco programme: approximately 9.5 litres
- Noise level: 44 dB(A)
- Adjustable upper basket
- Foldable lower-basket plate supports
- Cutlery tray
- Delay start: 1–24 hours
- Aqua-stop inlet hose
- Appliance dimensions: 598 × 550 × 815 mm
- Door panel and furniture handle not included

Internal handling notes:

Confirm kitchen door-panel dimensions before order acceptance. Installation requires a separate integrated-appliance fitting service.

Page 9 — Floor Care

Veltro VMC-700 Cordless Vacuum

SKU: IS-HAP-1301

Category: Home Appliances > Floor Care > Cordless Vacuums

Price: €279.00

Availability: In stock

Warehouse location: BUD-4, Shelf F12, Hungary

Short description:

Cordless stick vacuum with removable battery, motorised floor head, and separate handheld configuration.

Key specifications:

- Maximum suction power: 150 air watts
- 25.2 V lithium-ion battery
- Operating time: up to 45 minutes in Eco mode
- Operating time: approximately 10 minutes in Boost mode
- Dust container capacity: 0.6 litres
- Two power modes plus Boost
- Motorised multi-surface floor head
- LED headlight
- Washable pre-motor filter
- Charging time: approximately 4.5 hours
- Weight in handheld configuration: 1.6 kg
- Accessories: crevice tool, dusting brush, wall mount

Internal handling notes:

Replacement battery SKU is IS-HAP-1301-BAT. Battery is shipped inside the appliance carton and must not be separated during standard fulfilment.

Cleva CVC-410 Canister Vacuum

SKU: IS-HAP-1302

Category: Home Appliances > Floor Care > Canister Vacuums

Price: €159.00

Availability: In stock

Warehouse location: LIL-3, Small Appliances Zone, France

Short description:

Bagged canister vacuum with variable suction control and a compact body intended for hard floors and low-pile carpets.

Key specifications:

- Motor input: 750 W
- Dust-bag capacity: 3.5 litres
- HEPA 13 exhaust filter
- Operating radius: 9 metres
- Telescopic metal tube
- Automatic cable rewind
- Variable suction dial
- Dust-bag-full indicator
- Floor and carpet combination head
- Noise level: 74 dB(A)
- Product weight: 5.4 kg
- Four replacement bags included

Internal handling notes:

Compatible replacement bag reference: CVC-410-BAG. Do not operate without a fitted bag and motor protection filter.

Page 10 — Floor Care

Nordhaus RVC-2 Pro Robot Vacuum

SKU: IS-HAP-1303

Category: Home Appliances > Floor Care > Robot Vacuums

Price: €429.00

Availability: In stock

Warehouse location: BUD-4, Automated Goods Shelf J03, Hungary

Short description:

Robot vacuum with laser room mapping, scheduled cleaning, automatic return-to-dock function, and electronic water control for hard-floor mopping.

Key specifications:

- Maximum vacuum suction: 5,000 Pa
- Li-ion battery: 5,200 mAh
- Runtime: up to 180 minutes in standard mode
- Dustbin capacity: 0.45 litres
- Water tank capacity: 0.25 litres
- Laser-based navigation
- Multi-floor map storage for up to four floors
- App-controlled scheduling
- Automatic recharge and resume
- Anti-drop and obstacle sensors
- Suitable for hard floors and low-pile carpets
- Robot dimensions: 350 mm diameter × 98 mm height
- Docking station included

Internal handling notes:

Mopping function is not suitable for unsealed wood, untreated stone, or carpets. Replacement mop pads are sold separately.

Auralis AHS-200 Steam Mop

SKU: IS-HAP-1401

Category: Home Appliances > Floor Care > Steam Cleaners

Price: €109.00

Availability: In stock

Warehouse location: WRO-2, Small Appliances Zone, Poland

Short description:

Upright steam mop with adjustable steam output for sealed hard floors and detachable handheld steam unit.

Key specifications:

- Heating power: 1,500 W
- Water tank capacity: 0.45 litres
- Heat-up time: approximately 25 seconds
- Three steam output settings
- Continuous operating time: up to 20 minutes
- Swivel floor head
- Detachable handheld unit
- Two washable microfibre pads

- Carpet glider included
- 5-metre power cable
- Product weight: 3.1 kg
- Safety over-temperature cut-out

Internal handling notes:

Use only clean water. Descaling frequency depends on water hardness; the supplied measuring cup should be used for filling.

Page 11 — Climate Control

Polarix PAC-12 Portable Air Conditioner

SKU: IS-HAP-1501

Category: Home Appliances > Climate Control > Portable Air Conditioners

Price: €499.00

Availability: Low stock

Warehouse location: RTM-1, Seasonal Appliances Bay 8, Netherlands

Short description:

Portable air conditioner with cooling, dehumidification, fan, and sleep modes. Supplied with window exhaust kit.

Key specifications:

- Cooling capacity: 12,000 BTU/h
- Rated cooling input: approximately 1,350 W
- Suitable room area: up to approximately 32 m², subject to insulation
- Temperature setting range: 17–30 °C
- Three fan speeds
- Dehumidification rate: up to 28 litres per day
- 24-hour timer
- Remote control included
- Noise level: 53–65 dB(A), depending on mode
- Exhaust hose length: 1.5 metres
- Caster wheels and carry handles
- Dimensions: 440 × 360 × 715 mm

Internal handling notes:

The exhaust hose must discharge outdoors. Window kit is designed for sliding or sash windows and may require an adapter for other configurations.

Nordhaus D10 Dehumidifier

SKU: IS-HAP-1502

Category: Home Appliances > Climate Control > Dehumidifiers

Price: €229.00

Availability: In stock

Warehouse location: VIE-2, Seasonal Appliances Bay 2, Austria

Short description:

Compressor dehumidifier with automatic humidity control, continuous drainage option, and washable air filter.

Key specifications:

- Extraction capacity: up to 10 litres per day at 30 °C/80% RH
- Recommended area: up to approximately 45 m²
- Water tank capacity: 2.5 litres
- Humidity target range: 35–85% RH
- Automatic defrost function
- Continuous-drain outlet
- Two fan speeds
- Laundry-drying mode
- 24-hour timer
- Noise level: 42 dB(A)
- Refrigerant: R290
- Dimensions: 340 × 240 × 470 mm

Internal handling notes:

Keep upright during storage and transport. R290 is flammable; damaged units must be isolated and processed under hazardous-goods procedure.

Page 12 — Climate Control

Frigenta HTR-2000 Ceramic Fan Heater

SKU: IS-HAP-1503

Category: Home Appliances > Climate Control > Fan Heaters

Price: €69.00

This product has been discontinued.

Availability: Discontinued — no replenishment; remaining units may be sold while stocks last

Warehouse location: LIL-3, Clearance Cage 1, France

Short description:

Compact ceramic fan heater with two heat settings, adjustable thermostat, and oscillating airflow.

Key specifications:

- Maximum heating output: 2,000 W
- Ceramic PTC heating element
- Heat settings: 1,000 W and 2,000 W
- Fan-only mode
- Adjustable thermostat
- 60-degree oscillation
- 12-hour timer
- Tip-over protection
- Overheat protection
- Carry handle
- Product dimensions: 220 × 145 × 265 mm
- 220–240 V mains connection

Internal handling notes:

Do not create new purchase orders. Customer service may offer remaining stock only in territories where the product remains compliant with local requirements.

Polarix HWF-16 Tower Fan

SKU: IS-HAP-1504

Category: Home Appliances > Climate Control > Fans

Price: €89.00

Availability: In stock

Warehouse location: RTM-1, Seasonal Appliances Bay 9, Netherlands

Short description:

Oscillating tower fan with remote control, sleep mode, and programmable shut-off timer.

Key specifications:

- Three fan speeds
- Natural-breeze and sleep modes

- 70-degree oscillation
- 12-hour timer
- LED control panel
- Remote control included
- Noise level: 42–54 dB(A)
- Airflow outlet height: 740 mm
- Product dimensions: 245 × 245 × 820 mm
- Rated power: 45 W
- Carry handle integrated into rear housing

Internal handling notes:

Store upright. Remote control uses two AAA batteries, supplied separately inside the accessory pouch.

Page 13 — Food Preparation

Kitchera KCP-1500 Food Processor

SKU: IS-HAP-1601

Category: Home Appliances > Food Preparation > Food Processors

Price: €189.00

Availability: In stock

Warehouse location: BUD-4, Shelf K07, Hungary

Short description:

Multifunction food processor with chopping bowl, slicing and shredding discs, dough blade, and pulse control.

Key specifications:

- Motor input: 1,000 W
- Main bowl capacity: 2.1 litres
- Working capacity: approximately 1.5 litres
- Two stainless-steel slicing/shredding discs
- Chopping blade and dough blade
- Variable speed dial
- Pulse function
- Safety interlock on bowl and lid
- Non-slip feet
- Dishwasher-safe removable accessories

- Product dimensions: 240 × 220 × 410 mm
- Accessory storage box included

Internal handling notes:

The motor base is not dishwasher-safe. Disc thickness is fixed and cannot be adjusted.

Auralis BLM-900 Countertop Blender

SKU: IS-HAP-1602

Category: Home Appliances > Food Preparation > Blenders

Price: €139.00

Availability: In stock

Warehouse location: WRO-2, Small Appliances Zone, Poland

Short description:

High-speed countertop blender with heat-resistant jug, pulse function, and preset programmes for smoothies and soups.

Key specifications:

- Motor input: 1,200 W
- Maximum blade speed: approximately 22,000 rpm
- Heat-resistant glass jug: 1.5 litres
- Six stainless-steel blades
- Five speed settings
- Pulse function
- Smoothie and soup presets
- Safety lid lock
- Removable blade assembly
- Jug and lid are dishwasher-safe
- Product dimensions: 205 × 190 × 435 mm
- Overload protection

Internal handling notes:

Hot liquids may be processed only within the fill limit indicated on the jug. Do not operate the motor base without the jug locked in position.

Nordhaus MGR-450 Stand Mixer

SKU: IS-HAP-1603

Category: Home Appliances > Food Preparation > Stand Mixers

Price: €299.00

Availability: Low stock

Warehouse location: VIE-2, Shelf K11, Austria

Short description:

Tilt-head stand mixer with metal mixing bowl, planetary mixing action, and attachments for whisking, beating, and dough preparation.

Key specifications:

- Motor input: 1,000 W
- Stainless-steel bowl capacity: 4.5 litres
- Six speed settings plus pulse
- Planetary mixing movement
- Aluminium beater and dough hook
- Stainless-steel wire whisk
- Splash guard with filling opening
- Electronic overload protection
- Bowl handle and locking mechanism
- Product weight: 6.8 kg
- Product dimensions: 360 × 220 × 335 mm
- Optional mincer attachment supported

Internal handling notes:

The whisk is not intended for heavy dough. Replacement bowl reference is MGR-450-BWL.

Kitchera GR-220 Contact Grill

SKU: IS-HAP-1604

Category: Home Appliances > Food Preparation > Grills and Presses

Price: €129.00

Availability: In stock

Warehouse location: LIL-3, Small Appliances Zone, France

Short description:

Adjustable-height contact grill with ribbed non-stick plates and removable drip tray.

Key specifications:

- Rated power: 2,000 W
- Cooking plate area: approximately 29 × 23 cm
- Floating upper plate
- Adjustable temperature control: 100–230 °C
- Removable dishwasher-safe plates
- Integrated grease channel and drip tray
- Locking latch for storage
- Upright storage capability
- Cool-touch handle
- Product dimensions: 350 × 330 × 145 mm
- 1.1-metre power cable

Internal handling notes:

Plates must be fully dry before refitting. Store with the latch unlocked when the unit is not in use.

Page 15 — Beverage Appliances

Veltro VKT-1800 Glass Kettle

SKU: IS-HAP-1701

Category: Home Appliances > Beverage Appliances > Kettles

Price: €59.00

Availability: In stock

Warehouse location: BUD-4, Shelf L04, Hungary

Short description:

1.7-litre glass electric kettle with concealed heating element, removable limescale filter, and blue status illumination.

Key specifications:

- Capacity: 1.7 litres
- Rated power: 2,200–2,400 W
- Borosilicate glass body
- 360-degree cordless base
- Automatic switch-off
- Boil-dry protection

- Removable stainless-steel mesh filter
- Water-level markings
- Lid release button
- Product dimensions: 230 × 160 × 245 mm
- 220–240 V mains connection

Internal handling notes:

Maximum fill line must not be exceeded. Descaling tablets are compatible; abrasive cleaning products are not recommended.

Kitchera EBP-220 Espresso Machine

SKU: IS-HAP-1702

Category: Home Appliances > Beverage Appliances > Espresso Machines

Price: €249.00

Availability: In stock

Warehouse location: RTM-1, Small Appliances Bay 3, Netherlands

Short description:

Semi-automatic espresso machine with 15-bar pump, stainless-steel milk frothing wand, and compatibility with ground coffee.

Key specifications:

- Pump pressure: 15 bar
- Thermoblock heating system
- Water tank capacity: 1.2 litres
- Single and double filter baskets
- Compatible with ground coffee only
- Manual steam wand
- Cup clearance: up to 100 mm
- Removable drip tray
- Automatic standby after 25 minutes
- Product dimensions: 270 × 225 × 300 mm
- Rated power: 1,350 W
- Stainless-steel front panel

Internal handling notes:

Not compatible with ESE pods unless used with an approved adapter. Initial setup requires a full water-system rinse.

Page 16 — Beverage Appliances

Nordhaus BCG-600 Bean-to-Cup Coffee Machine

SKU: IS-HAP-1703

Category: Home Appliances > Beverage Appliances > Automatic Coffee Machines

Price: €649.00

Availability: Low stock

Warehouse location: VIE-2, High-Value Small Appliances Cage, Austria

Short description:

Automatic bean-to-cup coffee machine with integrated grinder, adjustable beverage strength, and removable milk container.

Key specifications:

- Bean hopper capacity: 250 g
- Water tank capacity: 1.8 litres
- Ceramic conical grinder
- Five grind settings
- Espresso, coffee, lungo, cappuccino, and hot-water functions
- Three strength settings
- Adjustable coffee volume
- Removable milk container: 0.35 litres
- Automatic rinse cycle
- Brewing unit removable for cleaning
- Product dimensions: 240 × 430 × 350 mm
- Rated power: 1,450 W

Internal handling notes:

Use coffee beans only; oily flavoured beans may increase grinder blockage. Milk system must be rinsed after each milk-based beverage.

Auralis YG-120 Yoghurt Maker

SKU: IS-HAP-1704

Category: Home Appliances > Beverage Appliances > Specialty Food Appliances

Price: €49.00

Availability and fulfilment rules

- **In stock:** Standard allocation may proceed after payment or approved account credit.
- **Low stock:** Allocation should be confirmed before customer promise dates are issued.
- **Backorder:** Orders may be accepted only where the expected replenishment date is visible to the customer.
- **Discontinued:** No replenishment purchase order may be raised. Existing saleable inventory may be cleared through standard channels.
- **Damaged packaging:** Products with cosmetic carton damage require warehouse inspection before allocation.
- **Open-box inventory:** Must be assigned a separate condition code and must not be mixed with factory-sealed stock.
- **Large appliances:** Delivery appointments and installation requirements should be checked before dispatch.
- **Refrigeration products:** Maintain upright storage and record any extended horizontal transport.
- **Appliances containing R290 refrigerant:** Follow the applicable hazardous-goods and service-handling procedures.

Catalogue maintenance

Product prices, availability, warehouse quantities, and replenishment dates are maintained in IronStore's internal product information and inventory systems. This edition was last reviewed in **August 2026**.
