Page 1 — Catalogue Information

Scope

This catalogue contains products assigned exclusively to IronStore's **Home Gym Equipment** category. It covers strength training, cardio, mobility, recovery, functional training, and supporting gym accessories intended for domestic use.

Warehouse codes

| Code | Location | Primary stock profile |

|---|---|---|

| NL-RTM | Rotterdam, Netherlands | Large cardio equipment, racks, benches |

| DE-HAM | Hamburg, Germany | Strength equipment, weights, accessories |

| PL-WRO | Wrocław, Poland | Compact equipment and boxed accessories |

| ES-ZAZ | Zaragoza, Spain | Yoga, mobility and recovery products |

| FR-LIL | Lille, France | Seasonal and overflow inventory |

| IT-MIL | Milan, Italy | Premium and specialist equipment |

Product record format

Each record includes the commercial title, SKU, category, operational description, price, key specifications, availability and current warehouse location. Prices are standard consumer prices in euros and include applicable VAT unless otherwise noted in an internal pricing system.

Page 2 — Treadmills

IronStore RunDeck T18 Folding Treadmill

SKU: IS-HGE-TM-001

Category: Home Gym Equipment

Short description: Folding electric treadmill for walking, jogging and moderate home running sessions. Intended for users with limited floor space.

Price: €649.00

Key specifications

- Motor: 2.25 HP continuous-duty DC motor
- Speed range: 1–16 km/h

- Incline: 0–12% motorised, 12 levels
- Maximum user weight: 110 kg
- Console: 5-inch LCD with time, speed, distance, calories and pulse
- Programmes: 12 preset programmes plus manual mode
- Folded dimensions: 86 × 70 × 140 cm
- Product weight: 54 kg
- Power requirement: 220–240 V, 50 Hz

Availability: In stock — 18 units

Warehouse location: NL-RTM, Rotterdam, Netherlands

Vektor Motion TM400 Compact Treadmill

SKU: IS-HGE-TM-002

Category: Home Gym Equipment

Short description: Compact treadmill with shock-absorbing deck and Bluetooth-enabled training display for apartment and home-office use.

Price: €799.00

Key specifications

- Motor: 2.5 HP continuous-duty brush motor
- Speed range: 0.8–18 km/h
- Running surface: 130 × 48 cm
- Incline: 0–10% motorised

- Maximum user weight: 120 kg
- Console: 7-inch colour display
- Connectivity: Bluetooth audio and training-app compatibility
- Safety: Magnetic emergency key and automatic belt-stop function
- Folded dimensions: 92 × 78 × 145 cm
- Product weight: 61 kg

Availability: Low stock — 6 units

Warehouse location: NL-RTM, Rotterdam, Netherlands

Page 3 — Treadmills and Walking Pads

NordPeak Sprint X22 Treadmill

SKU: IS-HGE-TM-003

Category: Home Gym Equipment

Short description: Higher-capacity treadmill with extended running deck, automatic incline and dual-device storage.

Price: €1,299.00

Key specifications

- Motor: 3.0 HP continuous-duty AC motor
- Speed range: 1–20 km/h
- Running surface: 140 × 50 cm
- Incline: 0–15%, 15 motorised levels
- Maximum user weight: 140 kg
- Console: 10-inch touch display
- Programmes: 36 preset, 3 user-defined and heart-rate modes
- Hand-grip pulse sensors
- Transport wheels and hydraulic folding assist
- Product weight: 82 kg
- Deck cushioning: Six elastomer isolation points

Availability: In stock — 11 units

Warehouse location: NL-RTM, Rotterdam, Netherlands

HomeStride Walk 2.0 Under-Desk Walking Pad

SKU: IS-HGE-TM-004

Category: Home Gym Equipment

Short description: Low-profile walking pad designed for light walking while standing at a desk or for short home cardio sessions.

Price: €329.00

Key specifications

- Motor: 1.5 HP brushless motor
- Speed range: 1–6 km/h
- Walking surface: 100 × 40 cm
- Incline: None
- Maximum user weight: 100 kg
- Display: Integrated LED speed, time, distance and calorie indicators
- Remote control included
- Folded thickness: 12.5 cm
- Product weight: 23 kg
- Noise rating: approximately 62 dB at 5 km/h

Availability: In stock — 34 units

Warehouse location: PL-WRO, Wrocław, Poland

Page 4 — Exercise Bikes

IronStore CyclePro C6 Indoor Bike

SKU: IS-HGE-BK-001

Category: Home Gym Equipment

Short description: Belt-drive indoor cycling bike with adjustable saddle and resistance knob for general fitness and interval sessions.

Price: €399.00

Key specifications

- Flywheel: 18 kg perimeter-weighted steel
- Resistance: Manual friction resistance
- Drive system: Poly-V belt
- Saddle adjustment: Vertical and horizontal
- Handlebar adjustment: Vertical
- Maximum user weight: 120 kg

- Display: Basic LCD with time, speed, distance and estimated calories
- Pedals: Toe-cage pedals with standard 9/16-inch thread
- Transport wheels and levelling feet
- Product weight: 46 kg

Availability: In stock — 22 units

Warehouse location: DE-HAM, Hamburg, Germany

CardioForma IC-700 Magnetic Indoor Cycle

SKU: IS-HGE-BK-002

Category: Home Gym Equipment

Short description: Magnetic-resistance cycle for structured indoor training, with cadence and pulse-readout compatibility.

Price: €749.00

Key specifications

- Flywheel: 20 kg
- Resistance: 32-level electronic magnetic resistance
- Drive system: Silent belt drive
- Console metrics: Time, distance, speed, cadence, watts and calories
- Connectivity: Bluetooth heart-rate and training-app connection
- Saddle and handlebars: Four-way adjustable
- Maximum user weight: 150 kg
- Pedals: Dual-sided SPD-compatible pedals
- Bottle holder included
- Product weight: 58 kg

Availability: In stock — 9 units

Warehouse location: DE-HAM, Hamburg, Germany

Page 5 — Upright and Recumbent Bikes

Vektor Motion U300 Upright Exercise Bike

SKU: IS-HGE-BK-003

Category: Home Gym Equipment

Short description: Upright magnetic exercise bike for low- to moderate-intensity cardiovascular training and rehabilitation-style movement.

Price: €279.00

Key specifications

- Resistance: 8-level manual magnetic resistance
- Flywheel: 5 kg
- Drive system: Belt drive
- Console: LCD with time, speed, distance, odometer, calories and pulse
- Saddle: Height-adjustable, 7 positions
- Maximum user weight: 110 kg
- Crank length: 170 mm
- Pedals: Strapped non-slip pedals
- Product weight: 25 kg
- Assembly time: Approximately 45 minutes

Availability: In stock — 27 units

Warehouse location: PL-WRO, Wrocław, Poland

NordPeak Comfort R5 Recumbent Bike

SKU: IS-HGE-BK-004

Category: Home Gym Equipment

Short description: Recumbent exercise bike with supported backrest and step-through frame for seated cardio training.

Price: €599.00

Key specifications

- Resistance: 16-level electronic magnetic resistance
- Flywheel: 8 kg
- Console: 5.5-inch LCD with 15 programmes
- Seat adjustment: 12 horizontal positions
- Backrest: Ventilated, fixed-angle support
- Maximum user weight: 135 kg
- Pulse monitoring: Hand sensors and compatible chest strap
- Transport wheels and adjustable stabilisers
- Product weight: 42 kg
- Power: 4 AA batteries for console

Availability: Low stock — 5 units

Warehouse location: NL-RTM, Rotterdam, Netherlands

Page 6 — Rowing Machines

RiverForm R300 Foldable Rowing Machine

SKU: IS-HGE-RW-001

Category: Home Gym Equipment

Short description: Compact magnetic rower with foldable rail for full-body home conditioning and moderate endurance training.

Price: €449.00

Key specifications

- Resistance: 8-level manual magnetic resistance
- Rail: Aluminium, 110 cm effective travel
- Footplates: Adjustable with heel guards
- Console metrics: Strokes per minute, time, distance, calories and strokes
- Maximum user weight: 120 kg
- Seat rollers: Sealed-bearing twin rollers
- Folded dimensions: 80 × 52 × 145 cm
- Product weight: 29 kg
- Power: 2 AAA batteries

Availability: In stock — 14 units

Warehouse location: DE-HAM, Hamburg, Germany

AquaLine R900 Water Resistance Rower

SKU: IS-HGE-RW-002

Category: Home Gym Equipment

Short description: Water-resistance rower with solid wood side rails and a longer stroke length for regular home rowing sessions.

Price: €1,099.00

Key specifications

- Resistance: Six-blade water tank
- Rail: 125 cm usable travel

- Frame: Sealed ash wood side rails with steel centre beam
- Console: LCD with time, distance, strokes, calories and 500 m split
- Maximum user weight: 150 kg
- Footplates: Adjustable with quick-release straps
- Storage: Upright storage capability
- Product weight: 39 kg empty
- Tank capacity: Approximately 17 litres
- Assembly: Two-person recommended

Availability: In stock — 7 units

Warehouse location: IT-MIL, Milan, Italy

Page 7 — Elliptical Trainers

CardioForma E200 Elliptical Trainer

SKU: IS-HGE-EL-001

Category: Home Gym Equipment

Short description: Front-drive elliptical trainer with fixed and moving handlebars for low-impact home cardio.

Price: €549.00

Key specifications

- Resistance: 16-level electronic magnetic resistance
- Stride length: 40 cm
- Flywheel: 8 kg
- Programmes: 12 preset programmes
- Console: 5-inch LCD
- Maximum user weight: 120 kg
- Pulse monitoring: Contact sensors on fixed handlebars
- Pedals: Oversized, textured foot platforms
- Product weight: 48 kg
- Footprint: 155 × 68 cm

Availability: In stock — 12 units

Warehouse location: NL-RTM, Rotterdam, Netherlands

NordPeak Orbit E700 Elliptical Trainer

SKU: IS-HGE-EL-002

Category: Home Gym Equipment

Short description: Rear-drive elliptical with adjustable stride settings and integrated wireless training connectivity.

Price: €1,199.00

Key specifications

- Resistance: 24-level motorised magnetic resistance
- Stride length: 46–51 cm, three-position adjustment
- Flywheel: 12 kg
- Console: 9-inch colour screen
- Programmes: 20 preset, 4 user and 5 heart-rate programmes
- Connectivity: Bluetooth and USB charging port
- Maximum user weight: 145 kg
- Transport wheels and rear levellers
- Product weight: 76 kg
- Power supply: 220–240 V adapter

Availability: Back-order — expected 18 September 2026

Warehouse location: NL-RTM, Rotterdam, Netherlands

Page 8 — Strength Stations

IronStore HomePress 60 Multi-Gym

SKU: IS-HGE-SM-001

Category: Home Gym Equipment

Short description: Cable-based multi-gym for upper-body, lower-body and core exercises in a single domestic station.

Price: €899.00

Key specifications

- Resistance: 60 kg selectorised weight stack
- Exercise stations: Chest press, lat pulldown, low row, leg extension and preacher curl
- Pulley ratio: 1:1
- Frame: Powder-coated steel
- Maximum user weight: 120 kg
- Maximum assembled height: 205 cm

- Upholstery: High-density foam with wipe-clean vinyl cover
- Included accessories: Lat bar, low-row handle, ankle strap and triceps rope
- Product weight: 158 kg
- Recommended room height: Minimum 225 cm

Availability: In stock — 8 units

Warehouse location: NL-RTM, Rotterdam, Netherlands

AtlasCore Station 100 Functional Trainer

SKU: IS-HGE-SM-002

Category: Home Gym Equipment

Short description: Dual adjustable pulley station with independent cable columns for strength, mobility and functional training exercises.

Price: €1,899.00

Key specifications

- Resistance: Two 75 kg weight stacks
- Pulley positions: 17 per column
- Cable ratio: 2:1
- Frame: Main acero? Need no. "3 mm steel"
- Attachments: Two handles, straight bar, ankle straps and chin-up bar
- Maximum user weight: 150 kg
- Column spacing: 105 cm
- Assembled dimensions: 180 × 125 × 225 cm

Warehouse location: PL-WRO, Wrocław, Poland

Page 17 — Pull-Up Equipment

ForgeLine Wall-Mount Pull-Up Bar

SKU: IS-HGE-PU-001

Category: Home Gym Equipment

Short description: Fixed wall-mounted pull-up bar with multiple grip positions for domestic strength training.

Price: €119.00

Key specifications

- Frame: 50 × 50 mm powder-coated steel
- Bar diameter: 32 mm
- Grip positions: Wide, neutral and close
- Projection from wall: 65 cm
- Maximum rated load: 200 kg

- Mounting plate: 80 × 20 cm per side
- Fixings: Wall fixings not included
- Product weight: 12 kg
- Installation: Masonry or suitable structural wall required
- Not approved for plasterboard-only installation

Availability: In stock — 23 units

Warehouse location: DE-HAM, Hamburg, Germany

DoorFit Telescopic Doorway Bar

SKU: IS-HGE-PU-002

Category: Home Gym Equipment

Short description: Removable doorway pull-up bar for light to moderate bodyweight exercises without permanent wall installation.

Price: €39.00

Key specifications

- Adjustable width: 72–92 cm
- Bar diameter: 30 mm
- Maximum rated load: 100 kg when correctly installed
- Grip zones: Foam sleeves with two neutral-grip positions
- Frame material: Steel tube
- End pads: Non-marking rubber
- Product weight: 2.1 kg
- Suitable door-frame depth: 12–20 cm
- No swinging or kipping movements
- Installation check required before every session

Availability: In stock — 55 units

Warehouse location: PL-WRO, Wrocław, Poland

Page 18 — Flooring and Platforms

IronStore GymTile 15 Interlocking Floor Tiles

SKU: IS-HGE-FL-001

Category: Home Gym Equipment

Short description: Interlocking rubber tiles for reducing impact and protecting indoor floors beneath home gym equipment.

Price: €169.00 per pack

Key specifications

- Pack contents: 15 tiles
- Tile dimensions: 50 × 50 cm
- Covered area: 3.75 m²
- Thickness: 15 mm
- Material: Recycled rubber granulate
- Surface: Textured, non-slip finish
- Edge type: Interlocking jigsaw profile
- Colour: Black with grey fleck
- Approximate tile weight: 3.5 kg
- Odour may be present after opening; ventilate before installation

Availability: In stock — 38 packs

Warehouse location: ES-ZAZ, Zaragoza, Spain

ForgeLine Lifting Platform 2 × 2 m

SKU: IS-HGE-FL-002

Category: Home Gym Equipment

Short description: Two-metre square lifting platform for barbell work and controlled bumper-plate drops.

Price: €399.00

Key specifications

- Overall dimensions: 200 × 200 × 3 cm
- Centre panel: 18 mm sealed birch plywood
- Side panels: 18 mm rubber flooring
- Underside: Anti-slip base layer
- Approximate weight: 125 kg
- Assembly: Six-panel construction
- Edge treatment: Bevelled rubber perimeter
- Intended use: Indoor Olympic lifting and strength training
- Maximum recommended bar load: 250 kg
- Delivery: Pallet delivery required

Availability: Back-order — expected 30 August 2026

Warehouse location: FR-LIL, Lille, France

Page 19 — Core Equipment

IronStore AbMat Contoured Core Pad

SKU: IS-HGE-CR-001

Category: Home Gym Equipment

Short description: Contoured abdominal pad for sit-ups, curl-ups and controlled trunk-flexion exercises.

Price: €29.00

Key specifications

- Pad length: 37 cm
- Pad width: 30 cm
- Pad height: 7 cm at highest point
- Filling: High-density closed-cell foam
- Cover: Wipe-clean PVC
- Base: Non-slip rubberised underside
- Product weight: 0.8 kg
- Colour: Black
- Maximum user weight: 150 kg
- Intended for use on a stable, level surface

Availability: In stock — 73 units

Warehouse location: ES-ZAZ, Zaragoza, Spain

CoreRoll 12 kg Wall Ball

SKU: IS-HGE-CR-002

Category: Home Gym Equipment

Short description: Soft-shell weighted wall ball for rotational throws, squats, presses and controlled conditioning drills.

Price: €69.00

Key specifications

- Nominal weight: 12 kg
- Diameter: 35 cm

- Outer cover: Double-stitched synthetic leather
- Filling: Mixed textile and rubber granulate
- Shape retention: Reinforced internal bladder
- Recommended use: Wall throws and partner drills
- Not intended for barbell or kettlebell drops
- Product weight tolerance: $\pm 5\%$

Page 30 — Catalogue Control Notes

Pricing and stock control

- Stock quantities represent sellable units recorded at the August 2026 review.
- Oversized equipment may require pallet delivery, two-person handling or a scheduled delivery appointment.
- Weight plates, barbells, racks and platforms must be checked for transport damage before customer dispatch.
- Product dimensions refer to assembled equipment unless folded dimensions are specifically stated.
- Accessories listed as “not included” must not be substituted without updating the product record.
- Discontinued products may remain visible while clearance inventory is available.
- Warehouse transfers require a new availability check before order confirmation.
- All prices in this catalogue are in euros and should be checked against the active IronStore pricing system before publication or customer quotation.
