Page 1 — Catalog Information

This catalog contains active and recently retired products assigned to IronStore's **Home Storage & Organization** category. It is intended for internal use by merchandising, customer service, fulfillment, purchasing, and content teams.

Products include storage furniture, boxes, baskets, closet systems, laundry organization, kitchen storage, bathroom storage, office organization, and related household organization accessories.

Standard product data fields

- **SKU:** Internal IronStore stock-keeping unit
 - **Category:** Catalog category and subcategory
 - **Price:** Current consumer price in euros
 - **Availability:** Current fulfillment status at the time of review
 - **Warehouse location:** Primary stocking or dispatch location
 - **Key specifications:** Main dimensions, capacity, material, and usage information
-

Page 2 — Contents and Operational Notes

Subcategories

1. Storage boxes and containers
2. Shelving and modular storage
3. Closet and wardrobe organization
4. Kitchen and pantry organization
5. Bathroom storage

- 6. Laundry organization
- 7. Home office organization
- 8. Entryway and utility storage
- 9. Travel and seasonal storage

Operational notes

- Dimensions are listed as **width × depth × height** unless stated otherwise.
 - Product dimensions are external dimensions.
 - Capacity figures are approximate and may vary according to contents.
 - “Limited stock” indicates fewer than 20 sellable units across the network or an unstable replenishment position.
 - “Backorder” indicates that the product may be ordered but is awaiting inbound inventory.
 - Discontinued products are retained for returns, historical orders, replacement inquiries, and customer-service reference.
 - Warehouse locations identify the primary inventory position, not necessarily the final dispatch facility.
-

Storage Boxes and Containers
