Catalog scope

This catalog contains active and discontinued items assigned to the IronStore **Jewelry & Watches** category. Product descriptions and specifications are maintained for customer-service, merchandising, procurement, warehouse, and search-retrieval use.

Warehouse codes

| Code | Location | Primary function |

|---|---|---|

| NL-RTM | Rotterdam, Netherlands | Central European fulfillment |

| DE-DUS | Düsseldorf, Germany | DACH fulfillment |

| FR-LIL | Lille, France | France and Benelux overflow |

| PL-WRO | Wrocław, Poland | Central and Eastern Europe |

| ES-ZAZ | Zaragoza, Spain | Iberia fulfillment |

| IT-MXP | Milan, Italy | Italy and southern Europe |

Product handling notes

- Jewelry must remain in its individual box, pouch, or protective sleeve.

- Watches must be stored with the crown pushed fully inward unless a product-specific instruction states otherwise.
 - Precious-metal items require weight and hallmark verification during returns processing.
 - Battery-powered watches are shipped with the manufacturer's protective battery isolator where supplied.
 - "Water resistant" is reproduced as supplied by the manufacturer and does not indicate suitability for diving unless specifically stated.
