Handling requirements

- Store paper products flat, dry, and away from direct sunlight.
- Store latex balloons away from heat, ozone-producing electrical equipment, and sharp edges.
- Keep candles and metallic decorations away from open flames unless the item is specifically intended for supervised candle use.
- Small parts, balloons, and piñata fillers require age-appropriate supervision.
- Outdoor products should be removed or secured during severe weather.
- Warehouse staff should verify pack counts and printed designs during inbound quality checks, particularly for assorted and themed products.
