Smart Home Devices

Last reviewed in August 2026

Internal catalog use only

Catalog scope: Connected and automated devices intended for residential smart-home installations, including hubs, lighting, security, sensors, climate controls, energy devices, smart appliances, access devices, and related controllers.

Pricing convention: Prices are in euros and include applicable standard VAT for the destination market unless otherwise stated. Prices are current as of the review date and may vary by country, promotion, or delivery surcharge.

Availability codes

- **In stock:** Normally available for immediate dispatch.
 - **Limited stock:** Fewer than 25 sellable units across the listed warehouse network.
 - **Pre-order:** Expected replenishment date is shown.
 - **Discontinued:** No new replenishment planned; remaining stock may be sold through.
 - **Backorder:** Temporarily unavailable; customer orders may be queued.

Page 1 — Catalog Overview and Product Index

Product families

| Family | Products covered |

|---|---|

| Smart hubs and controllers | Central hubs, bridges, displays, remote controls |

| Lighting | Bulbs, strips, panels, switches, dimmers |

| Security and access | Cameras, doorbells, locks, alarms, intercoms |

| Sensors | Motion, contact, leak, air quality, temperature |

| Climate control | Thermostats, radiator valves, air-quality controllers |

| Energy management | Plugs, meters, EV load controllers |

| Smart appliances | Robot cleaners, kitchen devices, connected laundry |

| Water and garden | Irrigation controllers, water monitors |

| Connectivity and accessories | Mesh nodes, wall panels, mounting kits |

Page 2 — Smart Hubs and Controllers

HomeCore Link S2 Hub

SKU: ISH-1001

Category: Smart Home Devices / Hubs and Controllers

Price: €79.90

Short description:

Compact central hub for coordinating compatible smart-home devices over Wi-Fi, Thread, Zigbee, and Bluetooth. Intended for apartments and small homes with up to 75 registered devices.

Key specifications

- Supports Matter controller functions and Matter-over-Thread devices
- Radios: 2.4 GHz Wi-Fi, Thread, Zigbee 3.0, Bluetooth Low Energy
- Ethernet: 1 × 100 Mbps
- Local automation storage for up to 100 routines
- USB-C power input, 5 V / 2 A adapter included
- Internal backup battery for approximately 30 minutes
- Mobile application support for Android 12 or later and iOS 16 or later
- Dimensions: 92 × 92 × 24 mm
- Indoor operating range: 0 °C to 40 °C

Availability: In stock

Warehouse location: Tilburg, Netherlands — NL-TIL-02

HomeCore Link Pro Hub

SKU: ISH-1002

Category: Smart Home Devices / Hubs and Controllers

Price: €159.00

Short description:

Higher-capacity home automation hub with dual Ethernet, expanded local processing, and support for larger mixed-protocol installations.

Key specifications

- Supports Matter, Thread Border Router, Zigbee 3.0, Z-Wave Plus, and Bluetooth LE
- Dual-band Wi-Fi 6 and 2 × Gigabit Ethernet ports
- Supports up to 250 connected devices and 500 automation rules
- Local execution of lighting, security, and climate routines
- 16 GB internal storage for event history and device configuration
- Optional 4G failover through USB modem
- Dimensions: 148 × 104 × 31 mm
- Power supply: 12 V / 2 A; typical consumption 4.5 W
- Intended for residential and small-office installations

Availability: Limited stock — replenishment expected September 2026

Warehouse location: Venlo, Netherlands — NL-VEN-01

Page 3 — Displays and Scene Controllers

Vela Home Display 8

SKU: ISH-1003

Category: Smart Home Devices / Hubs and Controllers

Price: €129.90

Short description:

Eight-inch wall or tabletop smart-home display for device control, room status, timers, camera previews, and household reminders.

Key specifications

- 8-inch IPS touchscreen, 1,280 × 800 resolution
- Ambient light sensor with automatic brightness adjustment
- Integrated 5 MP camera with physical privacy shutter
- Two far-field microphones and 5 W speaker
- Wi-Fi 5, Bluetooth 5.2, and Thread border-router capability
- Supports Matter-compatible devices and HomeCore scenes

- Wall-mount bracket included; VESA-compatible mounting points
- Dimensions with stand: 198 × 126 × 72 mm
- Camera and microphone can be disabled using hardware switches

Availability: In stock

Warehouse location: Poznań, Poland — PL-POZ-03

Noma Scene Remote 4

SKU: ISH-1004

Category: Smart Home Devices / Hubs and Controllers

Price: €34.90

Short description:

Battery-powered four-button wireless remote for triggering lighting scenes, alarm modes, and household automation routines.

Key specifications

- Four configurable buttons with single-, double-, and long-press actions
- Zigbee 3.0 connectivity
- CR2032 battery; expected battery life up to 18 months
- Magnetic wall plate and removable adhesive pad included
- LED confirmation indicator, configurable through the companion hub
- Operating temperature: 0 °C to 45 °C
- Dimensions: 62 × 62 × 16 mm
- Suitable for indoor dry locations only

Availability: In stock

Warehouse location: Lyon, France — FR-LYO-01

Page 4 — Smart Lighting

LumaNest A60 White Ambience Bulb

SKU: ISL-1101

Category: Smart Home Devices / Lighting

Price: €14.90

Short description:

Dimmable E27 LED bulb with adjustable warm-to-cool white light for general residential lighting.

Key specifications

- E27 screw base
- 9 W electrical input; 806 lumen maximum output
- Adjustable colour temperature: 2,200–6,500 K
- Dimming range: 1–100%
- Wi-Fi 2.4 GHz and Bluetooth commissioning
- Supports Matter over Wi-Fi
- Rated life: 25,000 hours
- Energy efficiency class: F
- Operating temperature: -10 °C to 40 °C
- Bulb dimensions: 60 × 112 mm

Availability: In stock

Warehouse location: Tilburg, Netherlands — NL-TIL-02

LumaNest GU10 Colour Spot

SKU: ISL-1102

Category: Smart Home Devices / Lighting

Price: €19.90

Short description:

Colour-adjustable GU10 spotlight for accent, kitchen, and display lighting installations.

Key specifications

- GU10 base; 5.5 W input
- 400 lumen maximum output
- RGB plus adjustable white: 2,200–6,500 K
- Beam angle: 36 degrees
- Zigbee 3.0 and Bluetooth Low Energy
- Supports scheduled scenes and gradual wake-up routines
- Rated life: 20,000 hours
- Energy efficiency class: G
- Dimensions: 50 × 57 mm

Availability: In stock

Warehouse location: Prague, Czech Republic — CZ-PRA-02

Page 5 — Smart Lighting

AsterLine Flex Strip 3 m

SKU: ISL-1103

Category: Smart Home Devices / Lighting

Price: €44.90

Short description:

Flexible indoor LED strip with segmented colour control for cabinet, shelf, and indirect lighting applications.

Key specifications

- 3 m strip with 60 LEDs per metre
- 24 W maximum system consumption
- RGB plus tunable white, 2,700–6,500 K
- 1 m power lead and adhesive backing included
- Wi-Fi 2.4 GHz; Matter-compatible controller
- Cut marks every 100 mm; cut sections cannot be reconnected
- 1,200 lumen maximum combined output
- IP20 rating; not suitable for wet areas
- Controller dimensions: 48 × 28 × 12 mm

Availability: In stock

Warehouse location: Poznań, Poland — PL-POZ-03

BrioWall Modular Light Panel Set

SKU: ISL-1104

Category: Smart Home Devices / Lighting

Price: €89.90

Short description:

Six triangular wall-mounted light panels for decorative and ambient lighting scenes.

Key specifications

- Six panels, each 160 × 140 × 8 mm
- RGBW LEDs with 16 million colour combinations
- Maximum brightness: 900 lumens per six-panel set
- Touch-sensitive edge controls
- Wi-Fi 2.4 GHz and Bluetooth setup
- Supports Matter lighting commands through compatible controller
- 30 W external power supply included
- Adhesive mounting strips and alignment template included
- IP20 indoor use only

Availability: Limited stock

Warehouse location: Milan, Italy — IT-MIL-02

Page 6 — Lighting Controls

Voltura Smart Dimmer Module

SKU: ISL-1105

Category: Smart Home Devices / Lighting Controls

Price: €39.90

Short description:

In-wall dimmer module for compatible dimmable LED, halogen, and incandescent circuits. Requires a neutral conductor for standard installation.

Key specifications

- Rated load: 150 W LED or 300 W resistive
- 220–240 V AC, 50 Hz
- Neutral-wire installation
- Supports trailing-edge dimming
- Zigbee 3.0 connectivity
- Minimum LED load: 5 W
- Over-temperature and overload protection
- Module dimensions: 42 × 38 × 20 mm
- Installation by a qualified electrician required
- Not suitable for three-phase circuits

Availability: In stock

Warehouse location: Lyon, France — FR-LYO-01

LumaNest Outdoor Path Light

SKU: ISL-1106

Category: Smart Home Devices / Outdoor Lighting

Price: €54.90

Short description:

Low-voltage connected path light for gardens, balconies, and exterior walkways.

Key specifications

- 12 V DC low-voltage operation
- 600 lumen maximum output
- Adjustable white temperature: 2,700–6,000 K
- IP65-rated light housing
- Zigbee connectivity through a compatible hub
- 1.5 m outdoor-rated cable
- Aluminium body with graphite powder coating
- Height: 320 mm; base diameter: 75 mm
- Transformer and ground spike included
- Operating temperature: -20 °C to 45 °C

Availability: Pre-order — expected 18 September 2026

Warehouse location: Venlo, Netherlands — NL-VEN-01

Page 7 — Security Cameras

SentryView Indoor Cam 2K

SKU: ISS-1201

Category: Smart Home Devices / Security and Surveillance

Price: €49.90

Short description:

Indoor pan-and-tilt camera for room monitoring, motion alerts, and local or cloud event recording.

Key specifications

- 2K resolution: 2,304 × 1,296 pixels
- 110-degree diagonal field of view
- Pan: 350 degrees; tilt: 100 degrees
- Infrared night vision up to 8 m
- Two-way audio with echo reduction
- Motion and sound detection zones
- MicroSD support up to 256 GB; card not included
- Wi-Fi 2.4 GHz
- Privacy shutter with physical lens cover
- Dimensions: 68 × 68 × 103 mm

Availability: In stock

Warehouse location: Tilburg, Netherlands — NL-TIL-02

SentryView Outdoor Cam Solar

SKU: ISS-1202

Category: Smart Home Devices / Security and Surveillance

Price: €139.90

Short description:

Weather-resistant battery security camera with integrated solar charging panel for outdoor perimeter monitoring.

Key specifications

- 2K HDR video, 120-degree diagonal field of view
- Infrared and low-light colour night vision
- Passive infrared motion sensor with adjustable zones
- 10,000 mAh rechargeable battery
- 3.5 W integrated solar panel
- IP66 weather protection
- Wi-Fi 2.4 GHz; optional 4G accessory supported
- Two-way audio and 105 dB siren
- Local microSD recording up to 256 GB
- Operating temperature: -20 °C to 50 °C
- Wall bracket and security screws included

Availability: Limited stock

Warehouse location: Prague, Czech Republic — CZ-PRA-02

Page 8 — Doorbells and Locks

Bellora Video Doorbell D1

SKU: ISS-1203

Category: Smart Home Devices / Security and Access

Price: €89.90

Short description:

Wired video doorbell with visitor notifications, two-way communication, and configurable motion zones.

Key specifications

- 2K video resolution with 160-degree vertical field of view
- 4 MP image sensor
- Infrared night vision up to 5 m
- 12–24 V AC or 12 V DC power input
- Existing mechanical chime compatibility
- IP54-rated exterior housing
- Two-way audio with noise suppression
- Local event storage through indoor hub
- Dimensions: 46 × 135 × 25 mm
- Installation wedge and mounting plate included

Availability: In stock

Warehouse location: Lyon, France — FR-LYO-01

Fortis Smart Lock Euro-Cylinder

SKU: ISS-1204

Category: Smart Home Devices / Security and Access

Price: €189.00

Short description:

Retrofit smart lock for standard European-profile cylinders. Designed to operate the interior thumb-turn without replacing the exterior hardware.

Key specifications

- Compatible with selected Euro-profile cylinders with emergency function
- Bluetooth 5.2 and Thread connectivity
- Unlock methods: mobile application, scheduled access, and compatible NFC tag
- Automatic locking timer configurable from 10 seconds to 30 minutes
- Manual override from inside using the thumb-turn
- Rechargeable lithium battery; typical runtime four to six months
- USB-C charging port
- Dimensions: 58 × 58 × 68 mm
- Door thickness compatibility depends on existing cylinder projection
- Installation template and mounting plate included

Availability: In stock

Warehouse location: Berlin, Germany — DE-BER-04

Page 9 — Access Control and Alarms

Fortis Keypad Module

SKU: ISS-1205

Category: Smart Home Devices / Security and Access

Price: €69.90

Short description:

Exterior numeric keypad for Fortis Smart Lock systems, providing PIN-based access for household members and temporary visitors.

Key specifications

- Six-digit to ten-digit configurable access codes
- Up to 20 permanent or temporary PINs
- Bluetooth Low Energy communication
- IP55-rated enclosure
- Backlit capacitive keys
- Two AAA batteries; expected life up to 12 months
- Tamper alarm after repeated invalid attempts

- Operating temperature: -15 °C to 50 °C
- Dimensions: 46 × 135 × 25 mm
- Requires Fortis Smart Lock Euro-Cylinder or compatible Fortis bridge

Availability: In stock

Warehouse location: Berlin, Germany — DE-BER-04

Aegis Home Alarm Starter Kit

SKU: ISS-1206

Category: Smart Home Devices / Security and Access

Price: €159.90

Short description:

Entry-level connected alarm package consisting of a hub, keypad, motion detector, and two door contacts.

Key specifications

- Kit contents: alarm hub, keypad, PIR sensor, two contact sensors
- 100 dB indoor siren integrated into the hub
- Wi-Fi, Zigbee, and optional cellular backup through accessory module
- Supports up to 64 sensors and 12 user profiles
- Entry and exit delay configurable from 0 to 120 seconds
- Battery backup up to eight hours
- Keypad supports PIN and NFC tag arming
- Hub dimensions: 145 × 105 × 30 mm
- Contact sensor dimensions: 52 × 22 × 14 mm
- Indoor use; sensors are not weather resistant

Availability: In stock

Warehouse location: Venlo, Netherlands — NL-VEN-01

Page 10 — Room Monitoring

SentryView Baby and Room Monitor

SKU: ISS-1207

Category: Smart Home Devices / Monitoring

Price: €99.90

Short description:

Indoor camera and room-monitoring unit with temperature, humidity, sound, and movement notifications.

Key specifications

- 1080p video at up to 25 frames per second
- 130-degree wide-angle lens
- Infrared night vision up to 7 m
- Temperature and relative-humidity sensors
- Sound-level alerts with adjustable threshold
- Two-way talk and lullaby playback
- 5 GHz and 2.4 GHz Wi-Fi
- Local microSD recording up to 128 GB
- Physical privacy shutter
- Includes tabletop stand and wall-mount hardware

Availability: In stock

Warehouse location: Poznań, Poland — PL-POZ-03

Noma Motion Sensor M2

SKU: ISS-1301

Category: Smart Home Devices / Sensors

Price: €24.90

Short description:

Battery-operated passive-infrared motion sensor for lighting, occupancy, and alarm automations.

Key specifications

- Detection range: 8 m at 2.2 m mounting height
- Detection angle: 120 degrees
- Zigbee 3.0 connectivity
- Adjustable retrigger interval: 30 seconds to 30 minutes
- CR123A battery included; expected life up to two years
- Magnetic mounting base
- Operating temperature: -10 °C to 45 °C
- Dimensions: 45 × 45 × 48 mm

- Indoor dry-location use only

Availability: In stock

Warehouse location: Tilburg, Netherlands — NL-TIL-02

Page 11 — Contact and Water Sensors

Noma Door and Window Contact

SKU: ISS-1302

Category: Smart Home Devices / Sensors

Price: €17.90

Short description:

Slim wireless contact sensor for detecting the open or closed state of doors, windows, cabinets, and drawers.

Key specifications

- Zigbee 3.0 connectivity
- Main sensor and magnet included
- Maximum recommended gap: 18 mm on timber surfaces
- CR2032 battery; expected life up to 24 months
- Tamper notification when the main housing is removed
- White ABS enclosure
- Main unit dimensions: 48 × 22 × 12 mm
- Operating temperature: -10 °C to 50 °C
- Adhesive pads and screws included

Availability: In stock

Warehouse location: Lyon, France — FR-LYO-01

AquaGuard Leak Sensor Duo

SKU: ISS-1303

Category: Smart Home Devices / Water and Flood Sensors

Price: €39.90

Short description:

Two-pack of floor-mounted water-leak sensors for use under sinks, washing machines, dishwashers, and boilers.

Key specifications

- Two sensors with separate device identities
- Zigbee 3.0 connectivity
- Audible alarm: 85 dB at 1 m
- Detects conductive liquid across two base contacts
- CR2450 battery; expected life up to 18 months
- Local alarm operates without a hub
- IPX4-rated housing
- Dimensions: 55 × 55 × 22 mm
- Operating temperature: 0 °C to 45 °C
- Not intended for immersion or outdoor placement

Availability: In stock

Warehouse location: Milan, Italy — IT-MIL-02

Page 12 — Environmental Sensors

ClimaSense Air Monitor C4

SKU: ISS-1304

Category: Smart Home Devices / Environmental Sensors

Price: €119.90

Short description:

Indoor air-quality monitor measuring particulate matter, carbon dioxide, temperature, humidity, and volatile organic compounds.

Key specifications

- Measures PM2.5, PM10, CO₂, TVOC, temperature, and relative humidity
- CO₂ measurement range: 400–5,000 ppm
- PM2.5 range: 0–500 µg/m³
- E-ink status display with configurable metric rotation
- Wi-Fi 2.4 GHz and Bluetooth Low Energy
- USB-C power; 1.5 m cable included
- Recommended room size: up to 60 m²
- Dimensions: 92 × 92 × 38 mm

- Calibration cycle for CO₂ sensor: automatic baseline adjustment
- Indoor use only

Availability: Limited stock

Warehouse location: Berlin, Germany — DE-BER-04

ThermoTag Temperature Sensor

SKU: ISS-1305

Category: Smart Home Devices / Environmental Sensors

Price: €21.90

Short description:

Compact temperature and humidity sensor for room monitoring, storage areas, and climate-control routines.

Key specifications

- Temperature range: -20 °C to 60 °C
- Temperature accuracy: ±0.3 °C from 0 °C to 50 °C
- Relative humidity range: 0–100% RH, non-condensing
- Zigbee 3.0 connectivity
- CR2477 battery; expected life up to 24 months
- Configurable reporting interval: 1–60 minutes
- Dimensions: 48 × 48 × 19 mm
- Indoor use only
- Wall adhesive and free-standing rear support included

Availability: In stock

Warehouse location: Prague, Czech Republic — CZ-PRA-02

Page 13 — Climate Control

ClimaFlow Smart Thermostat T3

SKU: ISC-1401

Category: Smart Home Devices / Climate Control

Price: €109.90

Short description:

Wall-mounted thermostat for compatible two-wire and low-voltage heating systems, with schedules, remote temperature control, and room sensing.

Key specifications

- Supports relay-controlled heating systems up to 230 V / 5 A
- Compatible with gas boilers, electric heating, and zone valves
- Wi-Fi 2.4 GHz and Bluetooth commissioning
- Temperature setpoint range: 5–35 °C
- Integrated temperature and humidity sensors
- Seven-day schedule with six periods per day
- Open-window detection and frost-protection mode
- Dimensions: 86 × 86 × 25 mm
- Requires neutral conductor for 230 V installation
- Professional installation recommended

Availability: In stock

Warehouse location: Tilburg, Netherlands — NL-TIL-02

HeatPilot Radiator Valve Set

SKU: ISC-1402

Category: Smart Home Devices / Climate Control

Price: €79.90

Short description:

Two-pack of electronic radiator valves for individual room temperature scheduling and heating-zone control.

Key specifications

- Compatible with M30 × 1.5 radiator valve bodies
- Adapters for Danfoss RA, RAV, and RAVL included
- Thread connectivity through a compatible hub
- Temperature adjustment range: 5–30 °C
- Frost-protection and holiday modes
- Two AA batteries per valve; expected life up to 18 months
- Noise level below 30 dB at 1 m during normal operation
- Dimensions per valve: 55 × 55 × 82 mm
- Does not control boilers directly

- Set includes two valves and adapters

Availability: In stock

Warehouse location: Lyon, France — FR-LYO-01

Page 14 — Air Quality and Energy Plugs

AirPure Connect Controller

SKU: ISC-1403

Category: Smart Home Devices / Climate Control

Price: €64.90

Short description:

Connected controller for compatible ventilation fans and air-purification equipment, using air-quality data to automate operation.

Key specifications

- Supports dry-contact and 0–10 V control outputs
- Wi-Fi 2.4 GHz and Bluetooth
- Automatic, manual, boost, and night operating modes
- Two configurable external sensor inputs
- Maximum relay load: 5 A at 230 V AC
- Wall-mount enclosure: 110 × 80 × 28 mm
- Indoor installation near controlled equipment
- Requires external power supply, included
- Compatible with ClimaSense Air Monitor C4
- Professional electrical installation required

Availability: Limited stock

Warehouse location: Venlo, Netherlands — NL-VEN-01

WattWatch Energy Plug 16A

SKU: ISE-1501

Category: Smart Home Devices / Energy Management

Price: €24.90

Short description:

Connected Schuko plug with energy measurement, programmable switching, and overload protection.

Key specifications

- Schuko Type F plug and socket
- Rated load: 16 A continuous, 3,680 W maximum at 230 V
- Measures voltage, current, instantaneous power, and cumulative energy
- Accuracy: $\pm 1.5\%$ for loads above 10 W
- Wi-Fi 2.4 GHz and Bluetooth setup
- Matter-over-Wi-Fi support
- Overload cut-off configurable from 1,000 to 3,680 W
- Dimensions: 52 × 52 × 74 mm
- Indoor use only
- Child-protection shutters included

Availability: In stock

Warehouse location: Poznań, Poland — PL-POZ-03

Page 15 — Energy Management

WattWatch Home Meter 3P

SKU: ISE-1502

Category: Smart Home Devices / Energy Management

Price: €129.90

Short description:

Three-phase DIN-rail energy meter for monitoring household consumption, solar generation, and selected circuits.

Key specifications

- Three-phase, four-wire measurement
- Voltage range: 230/400 V AC, 50 Hz
- Direct current measurement up to 63 A per phase
- Accuracy class 1.0
- Wi-Fi 2.4 GHz and RS-485 Modbus output
- DIN-rail installation, four modules wide
- Measures active energy import and export

- Pulse output for integration with third-party meters
- Operating temperature: -10 °C to 55 °C
- Installation by a qualified electrician required

Availability: Pre-order — expected 30 September 2026

Warehouse location: Berlin, Germany — DE-BER-04

GridMate EV Load Controller

SKU: ISE-1503

Category: Smart Home Devices / Energy Management

Price: €179.00

Short description:

Dynamic load-management controller for balancing a compatible home EV charger with household electrical demand.

Key specifications

- Monitors single-phase or three-phase household supply
- Supports up to 63 A per phase
- Ethernet and Wi-Fi 2.4 GHz connectivity
- Current-transformer clamps included
- Configurable household import limit: 6–63 A
- Relay output for charger enable/disable control
- DIN-rail enclosure, six modules wide
- Supports Modbus TCP and selected OCPP-enabled chargers
- 230 V AC auxiliary supply
- Installation and commissioning by a qualified electrician required

Availability: Limited stock

Warehouse location: Venlo, Netherlands — NL-VEN-01

Page 16 — Relays and In-Wall Modules

Voltura Smart Relay 2CH

SKU: ISE-1504

Category: Smart Home Devices / Energy Management

Price: €42.90

Short description:

Two-channel in-wall relay for switching lights, fans, pumps, and other residential circuits.

Key specifications

- Two independent relay outputs
- Rated load: 10 A per channel, 16 A combined
- 100–240 V AC input
- Wi-Fi 2.4 GHz and Bluetooth commissioning
- Supports Matter-over-Wi-Fi
- Optional switch-input terminals for conventional wall switches
- Over-temperature protection
- Module dimensions: 48 × 42 × 20 mm
- Neutral conductor required
- Not suitable for motor loads above 3 A without an external contactor

Availability: In stock

Warehouse location: Lyon, France — FR-LYO-01

CleanBot R7 Vacuum and Mop

SKU: ISA-1601

Category: Smart Home Devices / Smart Appliances

Price: €399.00

Short description:

Robotic vacuum and mop with LiDAR mapping, room scheduling, and automatic return-to-dock charging.

Key specifications

- Suction power up to 5,000 Pa
- LiDAR room mapping with multi-floor map storage
- 4,200 mAh battery; up to 180 minutes in quiet mode
- 450 ml dust bin and 270 ml water tank
- Electronic water-flow adjustment
- Automatic carpet boost and no-mop zone configuration
- 3,000 Pa dock suction for dust-bin emptying
- Obstacle detection using infrared and structured-light sensors

- Dock dimensions: 340 × 420 × 570 mm
- Replacement filter and mop pad included

Availability: In stock

Warehouse location: Milan, Italy — IT-MIL-02

Page 17 — Smart Cleaning and Kitchen Devices

CleanBot S4 Compact Vacuum

SKU: ISA-1602

Category: Smart Home Devices / Smart Appliances

Price: €219.90

Short description:

Compact robot vacuum for smaller flats and rooms with hard flooring and low-pile carpets.

Key specifications

- Suction power up to 2,700 Pa
- Gyroscope-assisted mapping
- 2,600 mAh battery; up to 110 minutes runtime
- 400 ml dust bin
- 2,400 mAh rechargeable battery
- Wi-Fi 2.4 GHz connectivity
- Scheduled cleaning by room or day
- Automatic charging with resume-cleaning function
- Height: 78 mm
- Dock dimensions: 130 × 155 × 95 mm
- Replacement side brush included

Availability: In stock

Warehouse location: Poznań, Poland — PL-POZ-03

KitchLink Countertop Oven

SKU: ISA-1603

Category: Smart Home Devices / Smart Appliances

Price: €169.90

Short description:

Connected countertop convection oven with remotely managed cooking programmes and temperature monitoring.

Key specifications

- Capacity: 18 litres
- Temperature range: 40–230 °C
- Cooking modes: convection, grill, toast, warm, and air-fry
- Rated input: 1,500 W
- Wi-Fi 2.4 GHz and Bluetooth
- Interior light and removable crumb tray
- 60-minute timer with automatic shutoff
- External dimensions: 410 × 330 × 300 mm
- Includes wire rack, baking tray, and air-fry basket
- Not intended for built-in installation

Availability: In stock

Warehouse location: Prague, Czech Republic — CZ-PRA-02

Page 18 — Water and Garden Automation

AquaGrow Irrigation Controller

SKU: ISG-1701

Category: Smart Home Devices / Water and Garden Automation

Price: €89.90

Short description:

Four-zone outdoor irrigation controller with weather-aware schedules and manual valve activation.

Key specifications

- Four independent 24 V AC valve outputs
- Wi-Fi 2.4 GHz connectivity
- Rain-delay and seasonal-adjustment functions
- Supports up to four schedules per zone
- IP54 controller housing
- External 230 V to 24 V AC transformer included

- Flow sensor input for compatible pulse-output meters
- Wall-mount installation
- Controller dimensions: 145 × 105 × 42 mm
- Operating temperature: -10 °C to 45 °C
- Outdoor installation must be under a covered location

Availability: In stock

Warehouse location: Tilburg, Netherlands — NL-TIL-02

GardenGuard Soil Monitor

SKU: ISG-1702

Category: Smart Home Devices / Water and Garden Automation

Price: €29.90

Short description:

Wireless outdoor sensor measuring soil moisture, temperature, and light exposure for garden automation.

Key specifications

- Capacitive soil-moisture measurement
- Soil temperature range: -10 °C to 60 °C
- Ambient light sensor for placement and plant monitoring
- Bluetooth Low Energy connectivity
- Replaceable CR2477 battery; expected life up to 12 months
- IP67-rated sensor enclosure
- Probe length: 105 mm
- Total device length: 145 mm
- Operating temperature: -20 °C to 60 °C
- Requires compatible phone, hub, or irrigation controller for remote alerts

Availability: Limited stock

Warehouse location: Milan, Italy — IT-MIL-02

Page 19 — Connectivity and Wall Controllers

MeshBridge AX3000 Twin Pack

SKU: ISN-1801

Category: Smart Home Devices / Smart-Home Connectivity

Price: €149.90

Short description:

Two-node Wi-Fi mesh system intended to provide network coverage for smart-home devices in medium-sized homes.

Key specifications

- Wi-Fi 6 AX3000 system
- Combined data rate up to 3,000 Mbps
- 2 × Gigabit Ethernet per node
- Supports up to 100 connected client devices
- WPA3 security and guest network support
- Automatic band steering and wired backhaul
- 2.4 GHz and 5 GHz radios
- Dimensions per node: 165 × 92 × 74 mm
- 12 V / 2 A power adapter per node
- Recommended coverage: up to 350 m² under typical conditions

Availability: In stock

Warehouse location: Venlo, Netherlands — NL-VEN-01

WallScene Touch Controller

SKU: ISN-1802

Category: Smart Home Devices / Wall Controllers

Price: €69.90

Short description:

Flush-mounted four-inch touch controller for lighting scenes, climate setpoints, and room-status dashboards.

Key specifications

- 4-inch capacitive touchscreen, 800 × 480 resolution
- 230 V AC wall installation
- Wi-Fi 2.4 GHz and Bluetooth Low Energy
- Supports up to eight configurable scene tiles
- Built-in temperature and humidity sensors

- Neutral conductor required
- 86 mm European wall-box compatibility
- Front panel: 86 × 86 mm
- Glass front with white or graphite trim options
- Installation by a qualified electrician required

Availability: In stock

Warehouse location: Berlin, Germany — DE-BER-04

Page 20 — Pet and Household Monitoring

PetPort Automatic Feeder

SKU: ISA-1803

Category: Smart Home Devices / Smart Appliances

Price: €79.90

Short description:

Connected dry-food dispenser for scheduled pet feeding, portion control, and low-food notifications.

Key specifications

- Food hopper capacity: 4.5 litres
- Portion size: approximately 10–100 g per serving
- Schedule support for up to 12 feedings per day
- Wi-Fi 2.4 GHz connectivity
- Manual feed button with lockout option
- Low-food sensor and jam detection
- Backup operation from four AA batteries
- Stainless-steel bowl included
- Dimensions: 220 × 220 × 320 mm
- Suitable for dry food pieces up to 15 mm
- Not suitable for wet food

Availability: In stock

Warehouse location: Poznań, Poland — PL-POZ-03

LinenSync Smart Dryer Monitor

SKU: ISA-1804

Category: Smart Home Devices / Smart Appliances

Price: €59.90

Short description:

Vibration and temperature sensor for monitoring the operating state of washing machines and tumble dryers.

Key specifications

- Detects vibration cycles and end-of-cycle inactivity
- Surface temperature measurement up to 85 °C
- Bluetooth Low Energy connectivity
- Configurable cycle timeout from 10 to 180 minutes
- CR2477 battery; expected life up to 18 months
- Adhesive mounting pad and magnetic base included
- Dimensions: 48 × 30 × 15 mm
- Indoor dry-location use only
- Intended for appliances with accessible external surfaces
- Does not connect directly to appliance control electronics

Availability: In stock

Warehouse location: Lyon, France — FR-LYO-01

Page 21 — Discontinued Products

HomeCore Link Mini Hub

SKU: ISH-0904

Category: Smart Home Devices / Hubs and Controllers

Price: €49.90

This product has been discontinued.

Short description:

Entry-level Zigbee and Wi-Fi hub previously used for small installations. It has been replaced by the HomeCore Link S2 Hub.

Key specifications

- Zigbee 3.0 and Wi-Fi 2.4 GHz

- Supports up to 40 registered devices
- Ethernet: 1 × 100 Mbps
- Local automation storage for 50 routines
- Micro-USB power connection
- Dimensions: 78 × 78 × 23 mm
- Does not support Thread or Matter controller functions
- Companion application support maintained for existing customers

Availability: Discontinued — remaining stock only

Warehouse location: Tilburg, Netherlands — NL-TIL-02

Replacement recommendation: HomeCore Link S2 Hub, SKU ISH-1001

GlowArc E27 Colour Bulb

SKU: ISL-0911

Category: Smart Home Devices / Lighting

Price: €11.90

This product has been discontinued.

Short description:

First-generation Wi-Fi colour bulb for E27 fittings. No new production is scheduled.

Key specifications

- E27 screw base
- 8.5 W input; 800 lumen maximum output
- RGB colour operation and fixed 3,000 K white mode
- Wi-Fi 2.4 GHz
- Rated life: 15,000 hours
- Dimming range: 10–100%
- Energy efficiency class: G
- Dimensions: 60 × 110 mm
- Requires legacy GlowArc mobile application

Availability: Discontinued — 12 units remaining

Warehouse location: Prague, Czech Republic — CZ-PRA-02

Replacement recommendation: LumaNest A60 White Ambience Bulb, SKU ISL-1101

Page 22 — Discontinued Security Products

SentryView Door Cam C1

SKU: ISS-0817

Category: Smart Home Devices / Security and Surveillance

Price: €69.90

This product has been discontinued.

Short description:

Previous-generation wired exterior camera for covered entrances and small retail-facing residential doors.

Key specifications

- 1080p video resolution
- 105-degree diagonal field of view
- Infrared night vision up to 5 m
- 12 V DC power
- IP54 enclosure
- Wi-Fi 2.4 GHz
- Two-way audio
- Local storage through SentryView hub
- Dimensions: 44 × 118 × 23 mm
- Replacement mounting plates available while supplies last

Availability: Discontinued — remaining stock only

Warehouse location: Lyon, France — FR-LYO-01

Replacement recommendation: Bellora Video Doorbell D1, SKU ISS-1203

Fortis Lock Classic

SKU: ISS-0822

Category: Smart Home Devices / Security and Access

Price: €149.00

This product has been discontinued.

Short description:

Earlier-generation retrofit smart lock for selected European cylinder profiles.

Key specifications

- Bluetooth 4.2 connectivity
- Mobile application and automatic-unlock functions
- Four AA battery power
- Typical battery life: three months
- Compatible with selected M30 × 1.5 internal cylinders
- Interior thumb-turn operation
- Manual emergency release from inside
- Dimensions: 60 × 60 × 70 mm
- Not compatible with Fortis Keypad Module
- Existing support coverage applies to previously registered devices

Availability: Discontinued — no replenishment

Warehouse location: Berlin, Germany — DE-BER-04

Replacement recommendation: Fortis Smart Lock Euro-Cylinder, SKU ISS-1204

Page 23 — Product Handling and Compatibility Notes

Installation classification

The following products require installation by a qualified electrician or appropriately certified technician:

- Voltura Smart Dimmer Module — ISL-1105
- ClimaFlow Smart Thermostat T3 — ISC-1401, where connected to 230 V
- AirPure Connect Controller — ISC-1403
- WattWatch Home Meter 3P — ISE-1502
- GridMate EV Load Controller — ISE-1503
- Voltura Smart Relay 2CH — ISE-1504
- WallScene Touch Controller — ISN-1802
- AquaGrow Irrigation Controller — ISG-1701, where mains wiring is modified

Low-voltage products supplied with plug-in adapters may be installed by customers when the installation follows the supplied instructions and local requirements.

Wireless protocol guidance

| Protocol | Typical catalog use | Relevant products |

---|---|---

| Matter over Wi-Fi | Cross-platform control of powered devices | ISH-1001, ISL-1101, ISL-1103, ISE-1501 |

| Thread | Low-power mesh devices and border-router networks | ISH-1001, ISH-1002, ISS-1204 |

| Zigbee 3.0 | Sensors, lights, switches, and valves | ISH-1001, ISH-1002, ISL-1102, ISC-1402 |

| Bluetooth LE | Commissioning and local control | ISH-1003, ISH-1004, ISS-1207 |

| Wi-Fi 2.4 GHz | Cameras, appliances, displays, and controllers | Most powered devices |

| Ethernet | Hubs, meters, and network equipment | ISH-1002, ISE-1502, ISN-1801 |

Page 25 — Catalog Review Record

Catalog title: IronStore Product Catalog

Category scope: Smart Home Devices

Last reviewed: August 2026

Currency: EUR

Primary market: European Economic Area and United Kingdom, subject to destination-specific availability

Catalog owner: IronStore Merchandising Operations

Inventory owner: IronStore European Fulfilment Team

Review checks completed

- Product titles and SKUs checked for uniqueness within the Smart Home Devices catalog
- Prices reviewed in euros
- Availability and warehouse assignments reviewed
- Discontinued products separated from active assortment
- Electrical products identified for professional installation where applicable
- Wireless standards and power requirements recorded
- Outdoor products checked for stated ingress-protection ratings
- Replacement recommendations added for selected discontinued products

Assortment notes

The active assortment includes products from entry-level consumer devices through higher-capacity residential infrastructure. Products are grouped by primary function; some devices may support multiple functions. For example, the HomeCore hubs support lighting, security, climate, and energy automations, but remain classified under **Hubs and Controllers** for catalog purposes.

No products outside the **Smart Home Devices** category are included in this catalog.
