Page 25 — Product Status and Catalog Notes

Catalog handling notes

- Television prices are listed per unit and include standard EU-market accessories supplied by the manufacturer.
- Wall mounts, screens, cables, and furniture are catalogued separately from the primary television or projector item.
- Product dimensions and weights are approximate unless a manufacturer packaging specification is available.
- TV tuners may require region-specific channel configuration after delivery.
- Smart TV applications and streaming services are subject to regional availability, provider support, and account requirements.
- HDMI 2.1 features depend on the connected source device, cable, display mode, and firmware.
- “Low stock” indicates that inventory may vary between order placement and dispatch.

- Discontinued products remain orderable only while sellable inventory is available.
- No discontinued product in this catalog has a planned replenishment order.
- Warehouse allocations may be changed by Operations according to carrier capacity, customer destination, or product handling requirements.

Primary warehouse codes

- **WH-NL01 / WH-NL02:** Tilburg and Venlo, Netherlands
