Page 27 — Product Status Notes

Discontinued product handling

The following catalog records are retained for historical orders, returns, customer support, and replacement-product mapping:

- **TRV-UTL-GM01-BLK — GlobeMate Analog Luggage Scale**
- **TRV-UTL-TB01-WHT — TripTag Bluetooth Luggage Locator**

No new purchase orders should be raised against discontinued SKUs. Customer service should offer current alternatives where appropriate:

- GlobeMate Analog Luggage Scale → **TRV-UTL-WR02-SLV WeighRight Digital Luggage Scale**
- TripTag Bluetooth Luggage Locator → replacement locator subject to current mobile-platform compatibility review

Availability definitions

- **In stock:** Regular fulfillment stock available.
- **Limited stock:** Fewer than 20 units or sets available at the primary warehouse.
- **Pre-order:** Supplier-confirmed future inventory; dispatch date must be confirmed on order.
- **Out of stock:** No available inventory, but SKU remains active.
- **Discontinued:** No replenishment planned; record retained for reference.

Catalog controls

Prices, stock levels, and warehouse assignments are operational values reviewed in August 2026. Product specifications should be checked against the relevant supplier or compliance record before creating new listings, especially for power banks, adapters, compression garments, first-aid contents, water filters, and child-use products.
